23.01.12	12-Jan-23	SCR	CA-247516	Online	N/A	The C4Y Legacy e-Application data was not viewable in CalSAWS.	Users, in former C-IV counties, can view Legacy C4Y e-Application data online using the new Legacy e-Application pages. Navigation to the new pages is Case Info > e-Tools > Legacy e-Application Search. These pages look and function the same way as the previous C-IV system e-Application pages, however the data is View Only. A new section "Legacy e-Applications" was added to the Case Summary page to display when a Legacy e-Application exists for the case. The e-App Number hyperlink in this section will navigate the user to the Legacy e-Application Summary page.

23.01.12	12-Jan-23	Defect	CA-254020	Online	CalFresh	CalWIN Wave 1 counties had about 100 program applications fail to convert at cutover, leaving the programs in a closed status. Workers would have had to manually create these applications to pend programs. A mass DCR has been created instead to automate this process.	Program applications that were 'pending' in CalWIN have been updated in CalSAWS accordingly. Users will need to assign workers to the pending programs and process the applications.
