Cal**SAWS** | Enhancement Request (CER)

Justification / Request Summary:

Issue:

In C-IV, the 40 percent standard self-employment deduction would be automatically applied in the CalFresh budget when a self-employment expense record was not entered on the **Expense Detail** page. CalSAWS does not automatically apply a self-employment deduction when a self-employment expense record is not entered on the **Expense Detail** page.

Please see C-IV screen shots below:

	Category	Type	Description	Begin Date	End Date	
☐	Shelter	Rent		10/01/2015		Edit / View History
☐	Utility Allowance	Utility Allowance	SUA	10/01/2015		Edit / View History
☐	Child/Spousal Support - Court Ordered	Child Support - Court Ordered	$400 pending court order	10/01/2019		Edit / View History

Type	Description	Amount
Self Employment	((04/01/2021) $710.00 - $284.00(Standard Self-Employment Expense) * (4 Members/7 Members and FREs))	$ 243.43
	Total	$ 243.43

Proposed Recommendation:

San Bernardino recommends reverting back to the functionality that was available in C-IV. If there is a Self-Employment record entered without an expense record, have CalSAWS default to the 40% standard decution. Per policy if the customer does not elect actual self-employment they should be allowed standard self-employment deductions.

Prioirity/Implementation Consideration(s): Since Migration San Bernardino found we have 834 cases that are not being allowed self-employment deductions.
