23.02.02	2-Feb-23	SCR	CA-255731	CalHEERS	Medi-Cal/MSP/CMSP	The Modified Adjusted Gross Income (MAGI) Search Response Case Detail page had a hard stop validation that displayed as: "Close - Unable to Request Case Linkage Update to the selected MAGI case because the MAGI case is already linked to the CalSAWS case" that prevented a user from appropriately using the MAGI "Case Linkage Override" process.	The hard stop validation on the Modified Adjusted Gross Income (MAGI) Search Response Case Detail is removed so users are able to complete the MAGI "Case Linkage Override" process. When this process is done, the Case Override Indicator is sent to CalHEERS in a Determination of Eligibility (DER) transaction automatically.
