Description:	**Purpose** The purpose of this CIT is to inform CalSAWS Counties of posted lists associated with CA-253596 2023 'Batch EDBC for 2023 CalFresh SSI COLA.' **Background** ACIN I-74-22, informed counties that Supplemental Security Income (SSI) and California State Supplementary Payment (SSP) recipients received a Cost-of-Living Adjustment (COLA) effective January 1, 2023, and that, per federal regulations, the new SSI and SSP monthly payment amounts reflecting the COLAs must be acted on for CalFresh purposes no later than the March 2023 benefit allotment for all cases where SSI/SSP payment amount data is readily available. As part of CA-253647, the System generated and sent a file to DHCS containing CalFresh recipients receiving SSI and/or SSP Income. After sending the file, DHCS provided a one-time response file that included elements in the initial outbound file, as well as additional SSI and/or SSP Eligible and Paid amounts. The system compared the recipient's SSI/SSP Paid and Eligible amounts, and updated the Other Program Assistance (OPA) records with the new Eligible amount if it is less than or equal to the PAID amount per ACIN I-74-22 on 12/27/2022 (SCR CA-253649).

SCR CA-253596 (R. 23.01.07) ran Batch EDBC for CalFresh for the February 2023 benefit month on cases with the updated OPA records.
