User's must follow their county's business process to review the cases and take any necessary actions.

NOTE: The List of cases where the batch EDBC process closed a person and list of cases which resulted in a read-only EDBC resulted in zero records, and therefore are not included.

<u>List</u>	<u>County Action</u>
Cases Discontinued by Batch EDBC Process.	These cases are likely the result of household changes or ongoing data collection which were not yet processed through EDBC. Since the purpose of this Batch EDBC process was not to discontinue households, review these cases to verify the closure was accurate.
Cases where the batch EDBC process resulted in benefit reduction.	These are likely the result of household changes or ongoing data collection which was not yet processed through EDBC. Since the purpose of this Batch EDBC process was not to reduce benefits, review these cases to verify the benefit reduction was accurate.
Unprocessed cases where the batch EDBC process skipped a program.	Since Batch EDBC couldn't automatically apply the intended change to these cases, users may process EDBC to apply intended changes if applicable.
