23.02.14	14-Feb-23	SCR	CA-251602	Client Correspondence	Other	Kern county was participating in the Water Pilot which was scheduled to end on 12/28/2022. CDSS has extended the Water Pilot to 10/31/2023.	A one-time mass mailer CF 304D in English and Spanish has been sent to CalFresh households participating in the Water Pilot to inform them the Pilot will be extended until 10/31/2023.	
23.02.14	14-Feb-23	SCR	CA-254466	Eligibility		The EDBC failed the Homeless Assistance Permanent (HP) program for not being eligible for cash aid when the CalWORKs (CW)/Refugee Cash Assistance (RCA) program was not 'Active' and Inter-County Transfer (ICT) case skipped the EDBC hard validation for running CW/RCA and HP together in the receiving county.	The EDBC no longer fails the Homeless Assistance Permanent (HP) program for being ineligible for cash aid on the E-Inter County Transfer (eICT) case that meets the criteria for skipping EDBC hard validation for running CW/RCA and HP together in the receiving county.	
23.02.14	14-Feb-23	SCR	CA-247812	Fiscal		There were certain pay codes that were not available in CalSAWS.	The pay codes are available in CalSAWS for Santa Clara to use.	
23.02.14	14-Feb-23	SCR	CA-252969	Online		If there were multiple matching, on-going E-Inter County Transfer (eICT) requests, even if they were from different receiving cases, the inbound reader failed the transfer file and the worker needed to cancel one of the requests before the file (for that transfer, could be reprocessed).	A validation on the freeform 'Other County Case Number' (Sending County Case Number) prevents the user from saving a request when there is an ongoing request from the user's county with the same 'Other County Case Number' and the same sending county.	
23.02.14	14-Feb-23	Defect	CA-255262	Online	N/A	The Customer Appointment Detail page and the Select Intake Appointment page did not have a soft validation to inform workers from scheduling an appointment during CalSAWS application scheduled outage times.	A 'soft validation' displays on the Customer Appointment Detail page and the Select Intake Appointment page when a worker schedules an appointment during a time frame that CalSAWS application is down due to a scheduled outage. Validation message is "Cancel - CalSAWS will not be available during the selected Begin Date, Time or Duration. Please click Cancel or select a new Begin Date, Time or Duration. Click Override if you would like to proceed with the selected Begin Date, Time and Duration."	
23.02.14	14-Feb-23	Defect	CA-253615	BenefitsCal		With regards to the e-Application Summary page, the validation message had a blue background color.	With regards to the e-Application Summary page, the validation message does not have a blue background color.	PR80043824
23.02.14	14-Feb-23	Defect	CA-252782	CalHEERS	Medi-Cal/MSP/CMSF	Dispositions for Wave 1 converted MAGI Determinations were failing due to the lack of Determination ID.	Determination IDs have been converted from CalWIN. Dispositions should not fail anymore.	
23.02.14	14-Feb-23	Defect	CA-256651	Client Correspondence		LA CF RE Packet (English) and NEC NOA (Spanish, Cambodian and Farsi) was skipped through batch.	LA CF RE Packet (English) and NEC NOA (Spanish, Cambodian and Farsi) is getting generated successfully through batch.	PR80045315
23.02.14	14-Feb-23	Defect	CA-255135	Online		Expense Amount Detail records without verification records associated to them did not show up on the Expense Detail page.	Expense Amount Detail records without verification records associated to them will continue to display on the Expense Detail page and will default the verified field to pending on the Expense Amount Detail page.	
23.02.14	14-Feb-23	Defect	CA-253851	Reports		The Real Time Task Management Dashboard was not generating the data properly with the corresponding office values.	The Real Time Task Management Dashboard is now generating data properly with the corresponding office values.	PR80044925
23.02.14	14-Feb-23	Defect	CA-254474	Reports		With regards to Riverside county, the Issued Valuable Inventory Report was counting only one gas card for a customer when two were given to the same customer.	The issue in the Issued Valuable Inventory Report has been fixed by adding a condition to cast the datatype of Begin Control Number and End Control Numbers to a "Long" in order to correctly calculate the Quantity of cards given to the customers.
