Introduction/Purpose

As part of the CalWIN Migration to CalSAWS, CalWIN County staff will be able to access multiple CalSAWS applications through a single set of credentials. The platform the Project is using is called ForgeRock, an identity and access management system.

The CalSAWS Learning Management System (LMS) is one such application that will be accessed through a single set of credentials. This guide will detail how to create or access your CalSAWS credentials (ForgeRock) to login to the LMS, view your assigned CalWIN Migration Training curriculum within the LMS, and submit a ServiceNow ticket for LMS issues and training questions.

Currently, CalWIN County users may have access to some or multiple CalSAWS applications, which are illustrated below (Figure 1).

Figure 1

Legend

- Currently available to some CalWIN County staff
- Will become available to all CalWIN County staff in the future

Best Practices

Logging into the Learning Management System

The Learning Management System (LMS) **does not** require a VPN connection to log in. Please avoid using VPN if possible; a direct internet connection works best. To activate their account, users must check their email to retrieve a unique link for password reset. This process establishes your CalSAWS account and password.

- **Note:** OCAT users, County-Data Validation (CDV) and UAT participants will not be receiving an email since they are already active.

When logging into the CalSAWS LMS for the first time, please login using your County e-mail and the **password** you created when your CalSAWS account was activated.

- **Note:** If you have forgotten your CalSAWS password or are unable to successfully login, **please click the “Forgot Password?” link.**

Please check the [Troubleshooting Table](#) for help with login errors.

Completing Courses

The LMS logs off after **approximately 15 minutes** of inactivity. If you need to step away from your training, it is best practice to close out of the WBT window and the LMS until you are ready to continue. If connection with the server is lost due to inactivity or any other reason, the following message will pop up:

This message indicates that the LMS has logged off and progress for your WBT will not be tracked. Close the WBT window and log back into the LMS.

Please Note: The WBT window will **not** close when the LMS logs off due to inactivity. **If you complete the WBT slides while logged out of the LMS, the LMS does not recognize course completion. You will have to retake the course and the assessment.**

Checking Course Completion

If the LMS will not allow you to move forward to the next module, it is likely that the LMS timed out in the background due to inactivity (Check [Completing Courses](#) for more information). To check where you last stopped receiving credit, you should open the Table of Contents (TOC). To check where you last stopped receiving credit, you should open the Table of Contents (TOC):

1. If you are currently logged into the LMS, log out of the LMS.
2. Clear the cache and cookies in the browser **before** logging into the LMS.
3. Log into the LMS and reopen the WBT.
4. On the bottom right, click the TOC button to open the Table of Contents:

Scroll through the Table of Contents and make sure each slide is marked as complete. If there are unmarked slides, this means that the LMS did not track your progress through the course, and you cannot move forward. You will need to continue through the rest of the module and retake the assessment to get the module to show as “complete”.

Eligibility General - Case ...		
Slide Title	Duration	
Eligibility - Case Cr...	00:06	<input checked="" type="checkbox"/>
Module Overview	00:48	<input checked="" type="checkbox"/>
Module Overview >...	00:26	<input checked="" type="checkbox"/>
Module Overview >...	00:23	<input type="checkbox"/>
Module Overview >...	00:37	<input type="checkbox"/>
Module Overview >...	00:32	<input type="checkbox"/>
Module Overview >...	00:14	<input type="checkbox"/>

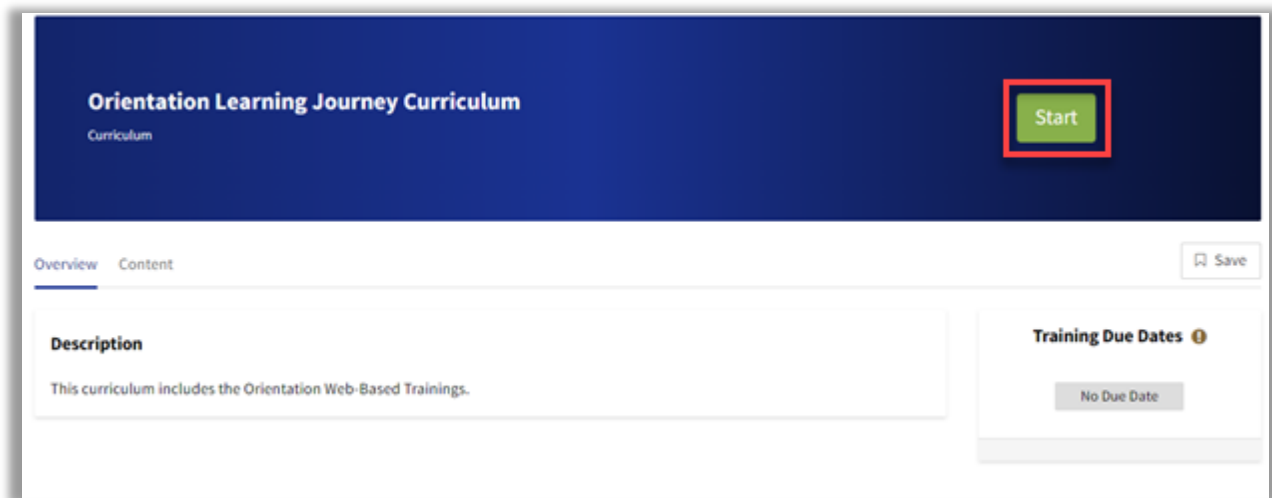

5. For a module to be considered complete by the LMS, you must complete all slides, pass the assessment, and complete the survey.

Checking Curriculum Completion

Sometimes the LMS will not log Curriculum completion even though it has logged web-based training completion, as shown in the picture below:

If this occurs, go directly to the curriculum which is showing “Not Started” and click the green **Start** button.

This will register in the LMS that the curriculum has been completed if all the web-based training modules in that curriculum have also been completed. You should not have to complete any of the web-based training modules again.

How to access the CalSAWS LMS for the first time

If you are logging in to the CalSAWS LMS for the first time, follow the [instructions](#) below. Users will receive a “Welcome to CalSAWS” email from Support@login.calsaws.org, which prompts recipients to finish setting up the account and select a password.

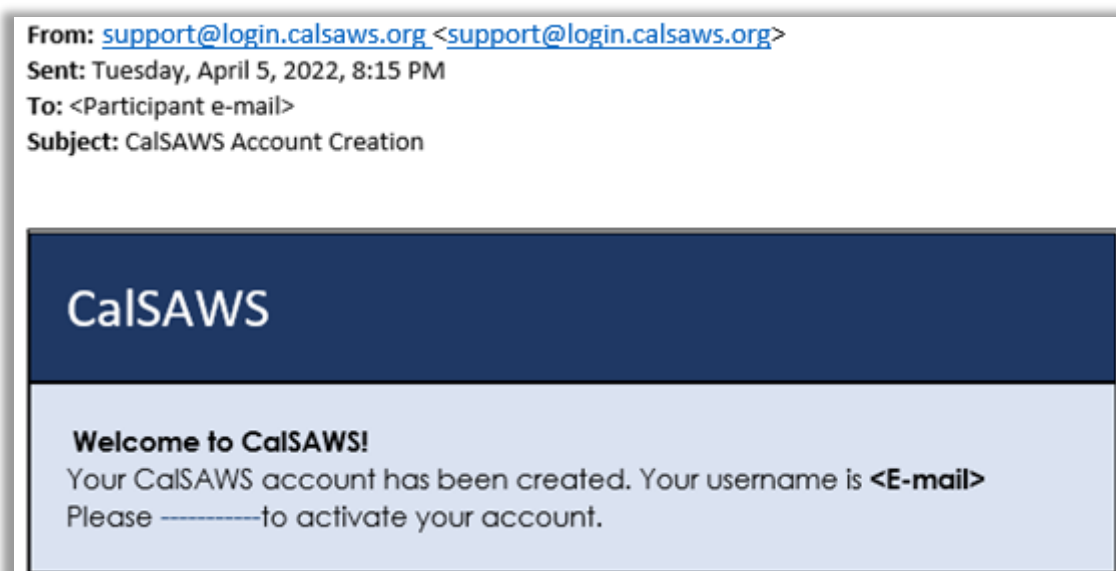

CalWIN users participating in General Training will receive CalSAWS LMS access starting **February 6, 2023** and should then complete the first time login process. **Users are required to attempt login the week of February 6.**

Note: Before you log in to the LMS for the first time, we encourage you to read the [Important Notes](#) section in its entirety.

If you have previously completed this step, view [these instructions](#) to access your assigned CalWIN Migration curriculum(s) in the LMS.

Important Notes

- When a new user is created in ForgeRock, the user will receive an email from support@login.calsaws.org informing the user that “Your CalSAWS account has been created.” Below is an example of the e-mail that participants will receive:

To activate their account, users must check their email to retrieve a unique link for password reset. This process establishes your CalSAWS account and password.

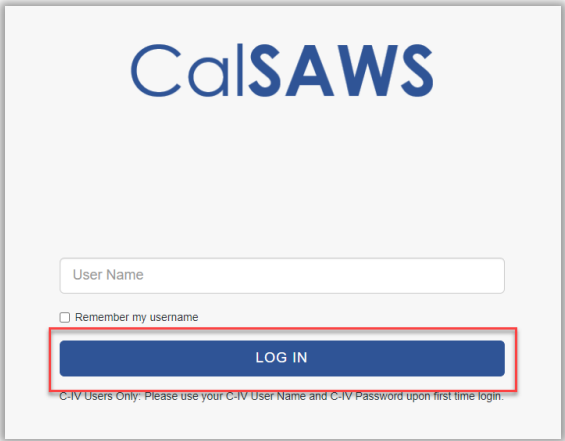

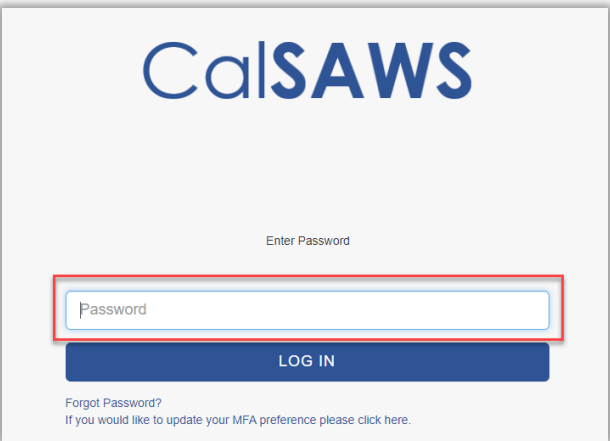

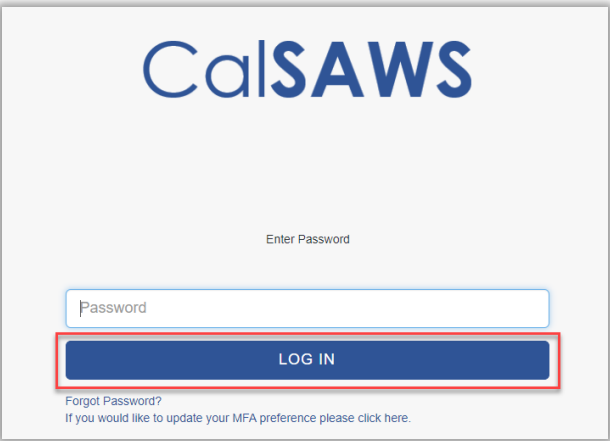

- **Note:** OCAT users, County-Data Validation (CDV) and UAT participants will not be receiving an email since they are already active.
- When logging into the CalSAWS LMS for the first time, please login using your County e-mail and the **password** you created when your CalSAWS account was activated.
 - **Note:** If you have forgotten your CalSAWS password or are unable to successfully login, **please click the “Forgot Password?”** link.

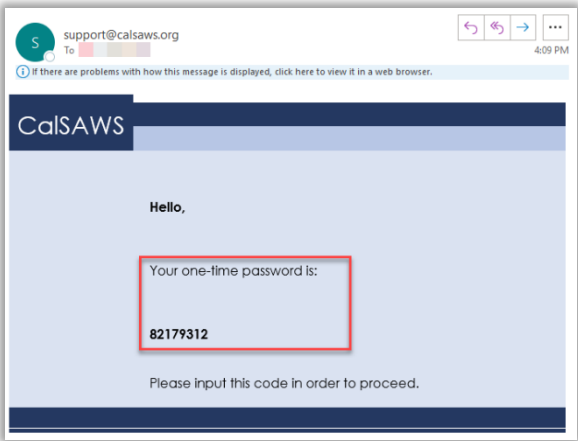

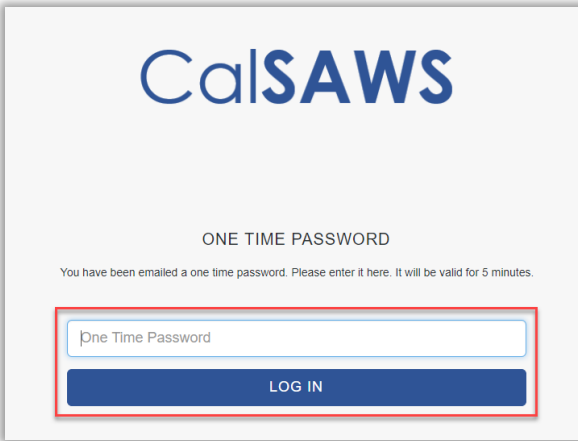

- **After your CalSAWS credentials have been authenticated** via the process below, **your CalSAWS password will expire every 60 days**. It is up to you to reset your password.
 - As the 60-day expiration date approaches, you will receive multiple emails from support@login.calsaws.org informing you that it is time to reset your password. Users will receive an email on the 45th day as a reminder to reset the password and will get an email every day beginning at day 55. You have two options to reset your password:
 1. Check your inbox to retrieve a unique link to reset your password. Please follow the instructions provided in that email to reset your password.
 2. Reset your password by navigating directly to <https://id.calsaws.net/#/passwordreset>.
 - **Note:** Please do NOT use this link to reset your password if you HAVE NOT successfully logged in to the CalSAWS LMS.
 - Once you reset your password, you will retain an active status in the CalSAWS System. Moving forward, you must update your CalSAWS password every 60 days for security purposes. The automated email notification will follow the same frequency listed above.
 - If you do not update your CalSAWS password within the 60-day expiration window, **your account will be inactivated**. If this happens, your delegated admin team will need to reset your account to active, which will allow you to reset your password and login.
 - If there are 3 incorrect password entries, **you will be locked out of your account**. If this happens, you can wait **30 minutes** for account to be reactivated or reach out to your delegated admin to reset account to active.
- If you have logged in to any of the Systems below, please enter your **username** (i.e. County e-mail address) and **your CalSAWS password**.
 - OCAT (Online CalWORKs Appraisal Tool)
 - CalSAWS Child Care Portal
 - CalSAWS ServiceNow
 - **Note:** For users with accounts for any of the Systems above, you **must** follow the [CalSAWS Credentials Access Instructions](#) to access the CalSAWS LMS. You should use your username (i.e., County e-mail) and CalSAWS password.
 - After you authenticate your CalSAWS credentials for the LMS, you will be able to use a single set of credentials for all CalSAWS System applications, including those listed above and the CalSAWS LMS
- If you participated in User Acceptance Testing (UAT), you will enter your **username** (i.e. County e-mail) and your **CalSAWS password** when logging in to the CalSAWS LMS for the first time.

CalSAWS Credentials Access Instructions

As you follow the process below, please refer to the [Troubleshooting Table](#) if you encounter any errors **before** escalating the issue to your **County Help Desk/Delegated Admin** or the CalSAWS Training Team.

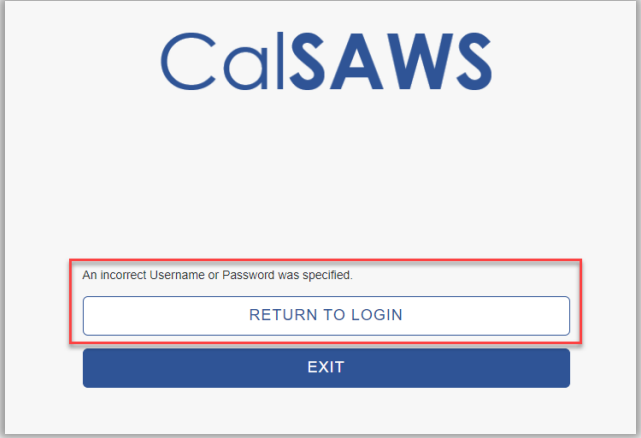

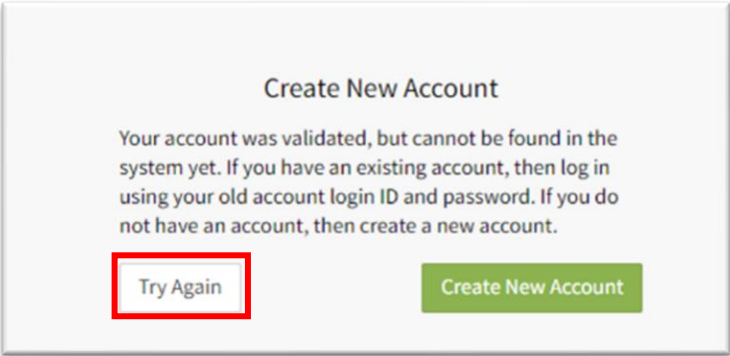

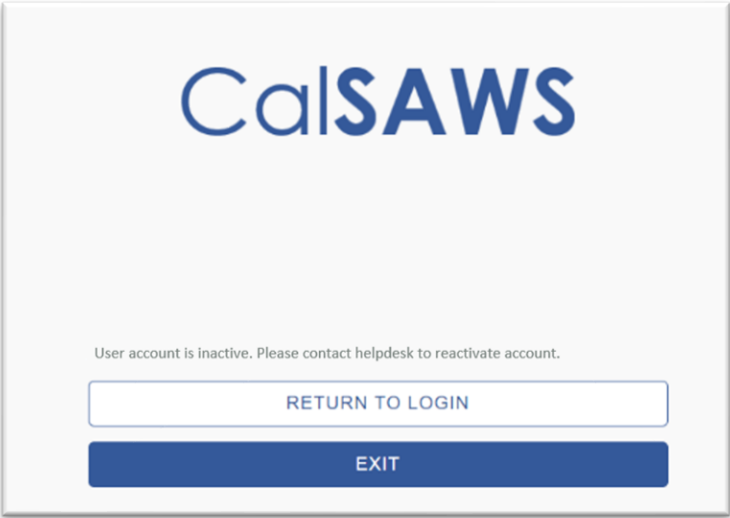

Step	Action	Step-Action Image
1.	<p>Manually enter the following URL (recommend Chrome or Edge): https://lms-ca.calsaws.net</p> <p>Important Note: Please do NOT bookmark this link since you will likely encounter a server error. Do NOT use the OCAT LMS URL – you will not be able to access your CalWIN Migration training through the OCAT LMS.</p>	
2.	<p>On the CalSAWS login page, enter your user ID (your County E-Mail, i.e., first CalSAWS account created) in the User Name field and click the LOG IN button.</p> <p>Important Note: When a new user is created, this user will receive an email from support@login.calsaws.org informing the user that "Your CalSAWS account has been created." To activate their account, users must check their email to retrieve a unique link for password reset.</p> <p>This process establishes your CalSAWS account and password.</p>	

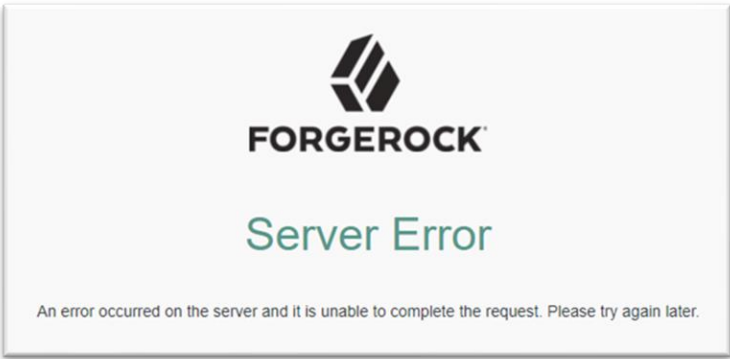

Step	Action	Step-Action Image
3.	Click the LOG IN button.	 <p>The screenshot shows the CalSAWS login page. At the top is the CalSAWS logo. Below it is a 'User Name' input field. Underneath is a checkbox labeled 'Remember my username'. A blue 'LOG IN' button is highlighted with a red rectangular box. At the bottom, there is a small note: 'C-IV Users Only: Please use your C-IV User Name and C-IV Password upon first time login.'</p>
4.	<p>On the next page, enter your password (case-sensitive)</p> <p>Important Note: If you have forgotten your CalSAWS password, you can use the Forgot Password function after you have logged in for the first time.</p>	 <p>The screenshot shows the CalSAWS password entry page. At the top is the CalSAWS logo. Below it is the text 'Enter Password'. A password input field is highlighted with a red rectangular box. Below the field is a blue 'LOG IN' button. At the bottom, there is a link for 'Forgot Password?' and a note: 'If you would like to update your MFA preference please click here.'</p>
5.	Click the LOG IN button.	 <p>The screenshot shows the CalSAWS password entry page. At the top is the CalSAWS logo. Below it is the text 'Enter Password'. A password input field is visible. A blue 'LOG IN' button is highlighted with a red rectangular box. At the bottom, there is a link for 'Forgot Password?' and a note: 'If you would like to update your MFA preference please click here.'</p>

Step	Action	Step-Action Image
6.	Click the Accept button after reading the <i>California – Terms and Conditions</i> .	 <p>California - Terms and Conditions - This is a California Statewide Automated Welfare System (SAWS) Joint Powers Authority (CalSAWS) computer system to be used exclusively for providing state and federal operations. The system is protected under state and federal privacy laws. CalSAWS monitors this system for security purposes to ensure it remains available to authorized users and to protect information in the system. By accessing this system, you are expressly consenting to monitoring activities. All unauthorized access or use of this computer system is strictly prohibited. Evidence of such acts may be disclosed to law enforcement authorities and result in prosecution.</p> <p>ACCEPT</p> <p>DECLINE</p>
7.	Check the inbox of your County E-mail address. You should receive an email from support@login.calsaws.org with the subject "One Time Password" containing an 8-digit code that is valid for 5 minutes .	 <p>support@calsaws.org To: [redacted] 4:09 PM</p> <p>CalSAWS</p> <p>Hello,</p> <p>Your one-time password is:</p> <p>82179312</p> <p>Please input this code in order to proceed.</p>
8.	Enter the provided 8-digit code on the Verification code page and click the LOG IN button. If you provide an incorrect OTP, you will be given up to four (4) chances to re-enter the code.	 <p>CalSAWS</p> <p>ONE TIME PASSWORD</p> <p>You have been emailed a one time password. Please enter it here. It will be valid for 5 minutes.</p> <p>One Time Password</p> <p>LOG IN</p>

Step	Action	Step-Action Image
9.	<p>For users with existing CalSAWS credentials: Click the CONTINUE button on the next page.</p> <p>Please note that this page only displays for staff who already have CalSAWS credentials (ForgeRock) via any of the Systems listed in the Important Notes.</p>	
10.	<p>Congratulations! You have successfully authenticated your CalSAWS credentials.</p> <p>From this point forward, you may use your County-provided email address (referred to as "CalSAWS username") to login to the CalSAWS LMS.</p>	

Troubleshooting Table

Issue & Action	Error Message Image
<p>You may have entered an invalid CalSAWS username or CalSAWS password on the initial login pages.</p> <p>Click Return to Login and enter your CalSAWS username (i.e., your County e-mail) and your CalSAWS password.</p> <p>If the issue persists, please contact your County Help Desk for assistance.</p>	
<p>You may have entered an invalid CalSAWS username or CalSAWS password on the initial login pages.</p> <p>Please do not attempt to create a new account. Click the Try Again button and re-enter your CalSAWS username (i.e., your County e-mail) and CalSAWS password on the previous pages.</p> <p>If the issue persists, please contact your County Help Desk for assistance.</p>	
<p>Your CalSAWS account is not active.</p> <p>Submit a ServiceNow ticket through your County Help Desk to re-activate your account.</p> <p>Once you receive confirmation from your County Help Desk that your account has been re-activated, please initiate the process above within 24 hours to authenticate your CalSAWS credentials. Otherwise, your account will de-activate.</p>	

Issue & Action	Error Message Image
<p>If you encounter the following server error at any point in the login process, please clear your browser's cache first; then manually type the following URL in your browser (Edge or Chrome) and try again: https://lms-ca.calsaws.net.</p> <p>If the issue persists, please submit a ServiceNow ticket through your County Help Desk.</p>	

How to access your assigned Migration curriculum(s):

Current Training Page section

The steps below apply to County staff who have successfully logged in to the CalSAWS LMS. If this is your first time logging in to the LMS, you will need to follow [these instructions](#) to authenticate your CalSAWS credentials.

1. To view your last 5 assigned curriculums and training materials from the LMS homepage, scroll down to the **Current Training** page section.

The screenshot shows the 'Current Training' section of the CalSAWS LMS. The page has a blue header with navigation links: Home, Current Training, Transcript, and a Catalog button. Below the header, the 'Current Training' section is displayed with a 'Find More Training' button. The main content is a table with columns for Title, Started/Begins, Due/Ends, and Action. Each row represents a curriculum with a progress bar and a status button.

Title	Started/Begins	Due/Ends	Action
Eligibility RCA Learning Journey Curriculum Curriculum * Required 0%	Not Started	No Due Date	View

Curriculum Overview

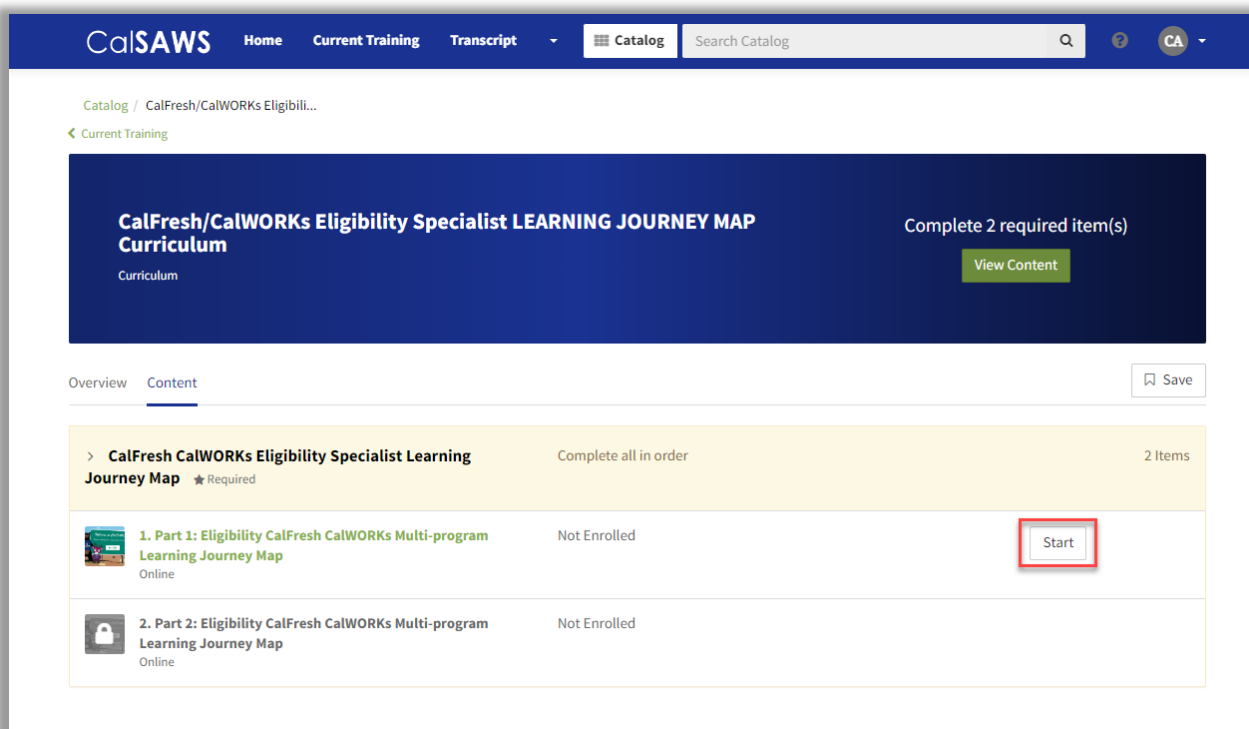

The following page displays when you click on a curriculum from the Current Training page or the Current Training Page section on the LMS homepage.

Please note that you may not have any curriculum/courses assigned to you, based on the decision made by your County. If you don't have any curriculum/courses on your Current Training page and you have been informed by your County that you have training to complete, please submit a ServiceNow ticket through your **County Help Desk**.

Click the green **View Content** button on the curriculum header to track your progress. This button does not appear for users who self-enroll in any curriculum(s).

After the green **View Content** button is clicked, the content included in this curriculum block is shown. Please click the white **Start** button to begin your curriculum.

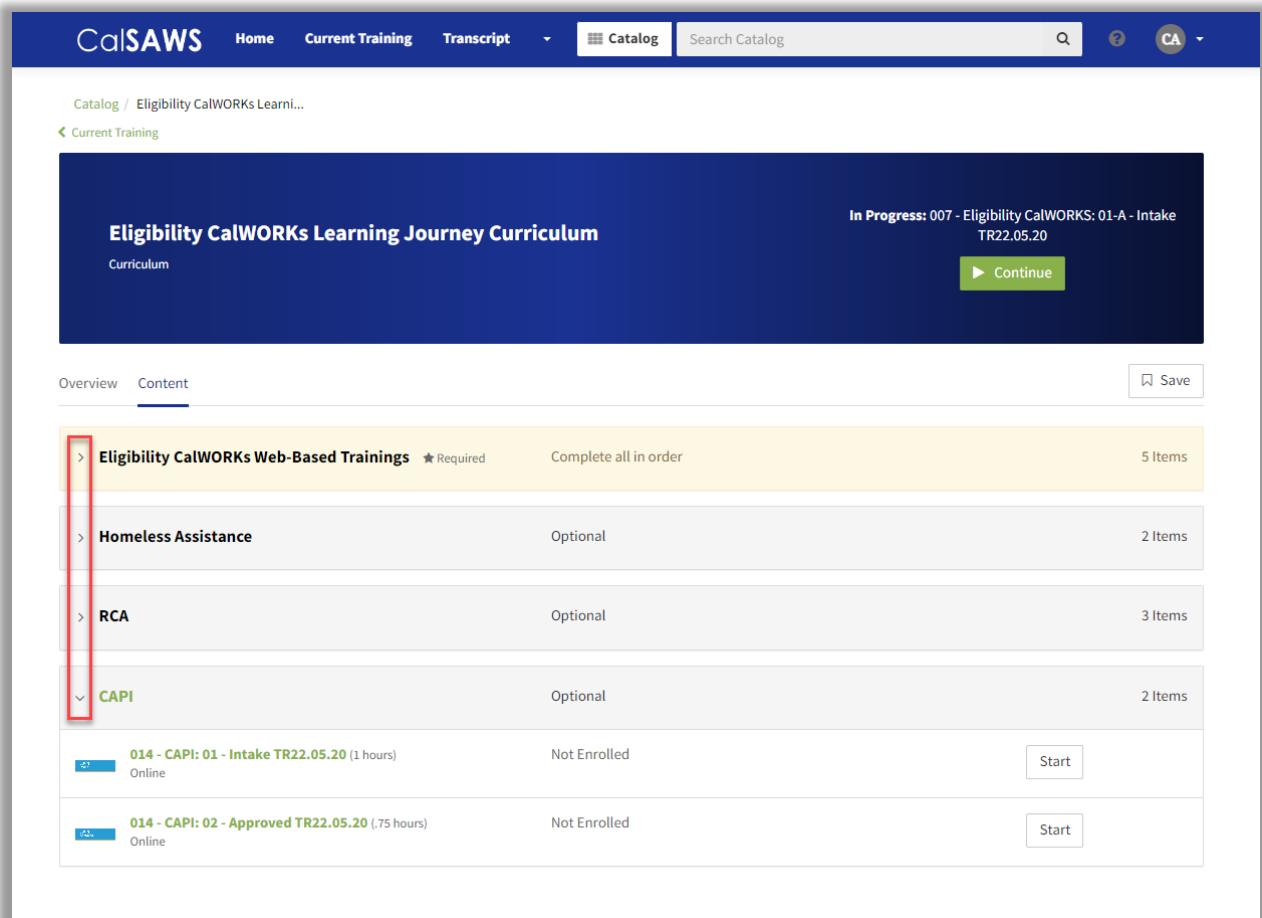

When returning to a course, click **Continue** to begin the Web-Based Training module where you left off.

The screenshot shows the CalSAWS interface for a course titled "CalFresh/CalWORKs Eligibility Specialist Learning Journey Map Curriculum". The page has a dark blue header with navigation links: Home, Current Training, Transcript, and a Catalog menu. A search bar is also present. Below the header, the course title is displayed, along with a progress indicator showing 0% completion. A green "Continue" button is highlighted with a red box. Below the course title, there are tabs for Overview, Content, and History. A "Save" button is also visible. The main content area shows a list of learning journey maps. The first item, "1. Part 1: Eligibility CalFresh CalWORKs Multi-program Learning Journey Map", is marked as "Started" and "In Progress", with a "Continue" button. The second item, "2. Part 2: Eligibility CalFresh CalWORKs Multi-program Learning Journey Map", is marked as "Not Enrolled".

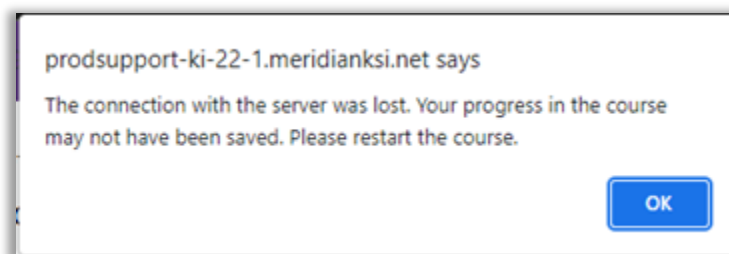

To determine what content is included within a curriculum, click the **Content** tab.

The screenshot shows the CalSAWS interface for a course titled "Eligibility CalWORKs Learning Journey Curriculum". The page has a dark blue header with navigation links: Home, Current Training, Transcript, and a Catalog menu. A search bar is also present. Below the header, the course title is displayed, along with a progress indicator showing "In Progress: 007 - Eligibility CalWORKs: 01-A - Intake TR22.05.20". A green "Continue" button is visible. Below the course title, there are tabs for Overview and Content, with the Content tab highlighted by a red box. A "Save" button is also visible. The main content area is divided into two sections: "Description" and "Training Due Dates". The Description section contains the text: "This curriculum includes the Eligibility CalWORKs Web-Based Trainings." The Training Due Dates section shows "No Due Date".

The **Content** tab shows all modules that are included within the curriculum. To see each individual module, click the **Caret** next to each section.

The LMS logs off after **approximately 15 minutes** of inactivity. If you need to step away from your training, it is best practice to close out of the WBT window and the LMS until you are ready to continue. If connection with the server is lost due to inactivity or any other reason, the following message will pop up:

This message indicates that the LMS has logged off and progress for your WBT will not be tracked. Close the WBT window and log back into the LMS.

Please Note: The WBT window will **not** close when the LMS logs off due to inactivity. **If you complete the WBT slides while logged out of the LMS, the LMS does not recognize course completion. *You will have to retake the course and the assessment.***

Learning Journey Map

How to Start your Learning Journey

Most CalWIN Migration curriculums are organized in an interactive, role-specific Learning Journey Map. Some roles do not have a Learning Journey Map. If you do not have a Learning Journey Map listed in your curriculum, please reach out to your County Training Coordinator to validate.

Each map includes Web-Based Trainings (WBTs), immersive scenarios, and games that help you navigate and reinforce the training content. To access the Learning Journey Map, please follow the steps for [How to access your assigned Migration curriculum\(s\)](#). The Learning Journey Map will appear in the list of curricula and will have **Learning Journey Map Curriculum** in the title.

Please note: The Learning Journey Map will not always appear at the top of the list as shown below.

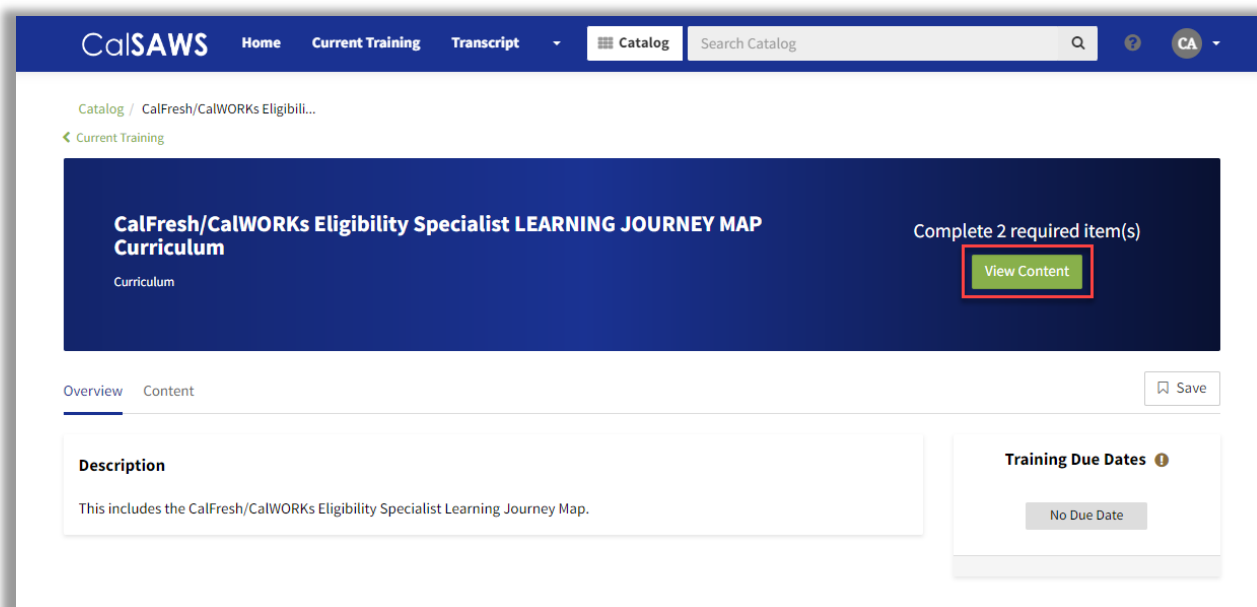

The screenshot shows the 'Current Training' page in the CalSAWS system. The page features a navigation bar with 'Home', 'Current Training', and 'Transcript' tabs. Below the navigation bar, there are filters for 'All Statuses', 'All content types', and 'Filter', along with a 'Reset' button. A 'Find More Training' button is also present. The main content area displays a table of training items with columns for 'Title', 'Started/Begins', 'Due/Ends', and 'Action'. The table lists several curriculums, including 'Eligibility RCA Learning Journey Curriculum', '001 - Orientation: 03 - CalSAWS Navigation TR22.07.22', 'Imaging Learning Journey Curriculum', '001 - Orientation: 06 - Task Management TR22.07.22', 'CDV Curriculum', 'CalFresh/CalWORKs Eligibility Specialist Learning Journey Map Curriculum', 'Cash Aid & Other Assistance Learning Journey Curriculum', and 'Eligibility CalFresh Learning Journey Curriculum'. The 'CalFresh/CalWORKs Eligibility Specialist Learning Journey Map Curriculum' is highlighted with a red box, indicating its position in the list.

Title	Started/Begins	Due/Ends	Action
Eligibility RCA Learning Journey Curriculum Curriculum Required	Not Started	No Due Date	View
001 - Orientation: 03 - CalSAWS Navigation TR22.07.22 Online	Started SEP 19 2022	No Due Date	Resume
Imaging Learning Journey Curriculum Curriculum Required	Not Started	No Due Date	View
001 - Orientation: 06 - Task Management TR22.07.22 Online	Started SEP 8 2022	No Due Date	Resume
CDV Curriculum Curriculum Required	Not Started	No Due Date	View

Cash Aid & Other Assistance Learning Journey Curriculum Curriculum Required	Not Started	No Due Date	View
Eligibility CalFresh Learning Journey Curriculum Curriculum Required	Started SEP 19	No Due Date	View

Click the **View** button to go to your Learning Journey Map.

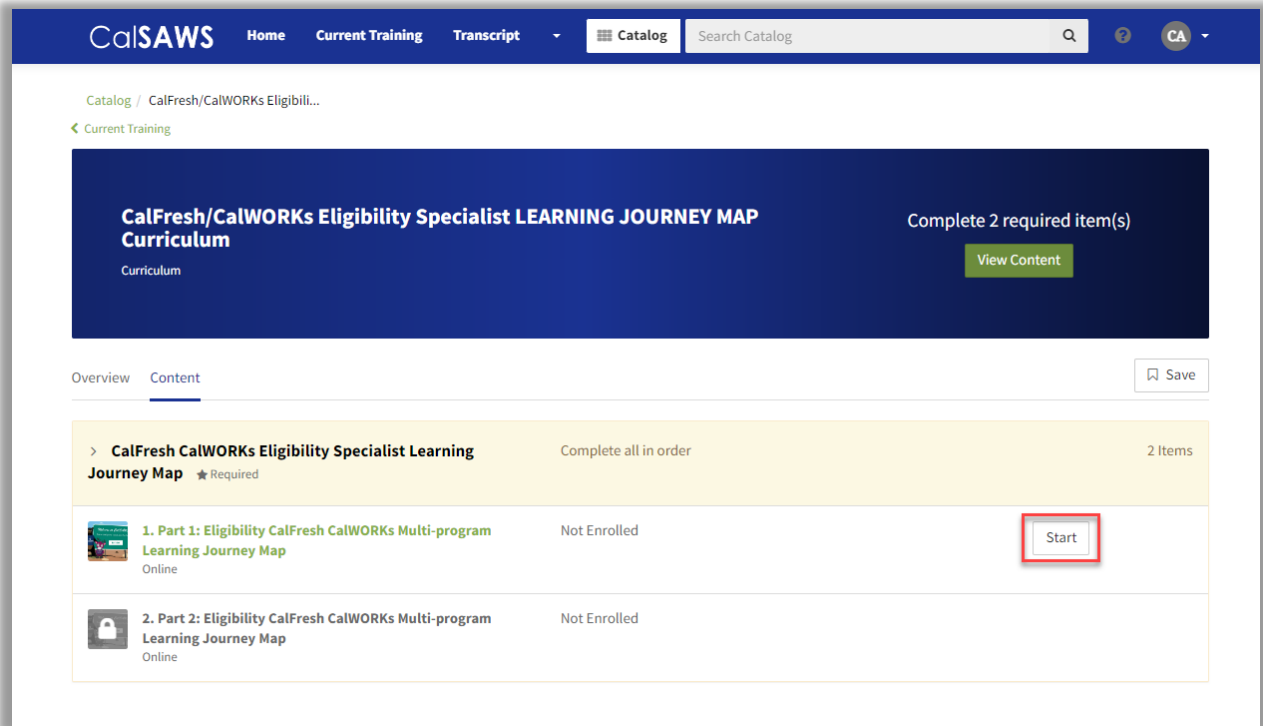

CalFresh/CalWORKs Eligibility Specialist LEARNING JOURNEY MAP Curriculum Curriculum * Required 0%	Started SEP 28 2022	No Due Date	View
Cash Aid & Other Assistance Learning Journey Curriculum Curriculum * Required 0%	Not Started	No Due Date	View
Eligibility CalFresh Learning Journey Curriculum Curriculum * Required 0%	Started SEP 19	No Due Date	View

Clicking the green **View Content** button shows the start button for the Learning Journey Map.

The screenshot shows the CalSAWS interface. At the top, there is a navigation bar with 'CalSAWS', 'Home', 'Current Training', 'Transcript', and 'Catalog'. A search bar is also present. Below the navigation bar, the breadcrumb trail reads 'Catalog / CalFresh/CalWORKs Eligibili...'. The main content area features a dark blue header with the title 'CalFresh/CalWORKs Eligibility Specialist LEARNING JOURNEY MAP Curriculum' and a sub-header 'Curriculum'. To the right of the title, it says 'Complete 2 required item(s)' and a green 'View Content' button is highlighted with a red box. Below the header, there are tabs for 'Overview' and 'Content', with 'Content' being the active tab. A 'Save' button is located in the top right corner. The 'Description' section contains the text: 'This includes the CalFresh/CalWORKs Eligibility Specialist Learning Journey Map.' To the right, the 'Training Due Dates' section shows 'No Due Date'.

Click the **Start** button to begin your Learning Journey Map.

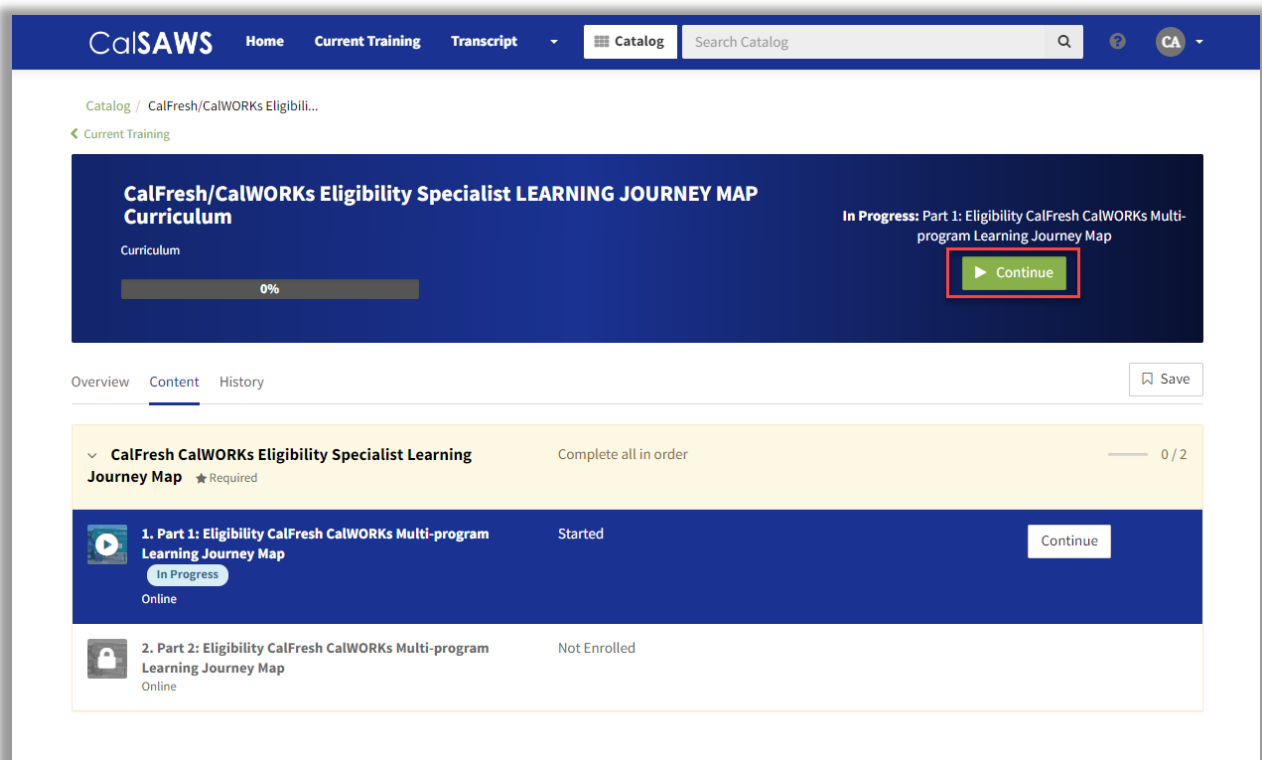

The screenshot shows the CalSAWS interface. At the top, there is a navigation bar with 'CalSAWS', 'Home', 'Current Training', 'Transcript', 'Catalog', and a search bar. Below the navigation bar, the breadcrumb trail reads 'Catalog / CalFresh/CalWORKs Eligibili...'. A green arrow points to 'Current Training'. The main content area features a dark blue header for 'CalFresh/CalWORKs Eligibility Specialist LEARNING JOURNEY MAP Curriculum' with a 'View Content' button and the text 'Complete 2 required item(s)'. Below this, there are tabs for 'Overview' and 'Content', and a 'Save' button. The 'Content' tab is active, displaying a list of items under the heading 'CalFresh CalWORKs Eligibility Specialist Learning Journey Map' (marked as 'Required'). The list contains two items, both 'Not Enrolled' and 'Online'. The first item, '1. Part 1: Eligibility CalFresh CalWORKs Multi-program Learning Journey Map', has a 'Start' button highlighted with a red box. The second item, '2. Part 2: Eligibility CalFresh CalWORKs Multi-program Learning Journey Map', also has a 'Start' button.

CalFresh CalWORKs Eligibility Specialist Learning Journey Map ★ Required		Complete all in order	2 Items
 1. Part 1: Eligibility CalFresh CalWORKs Multi-program Learning Journey Map Online	Not Enrolled	Start	
 2. Part 2: Eligibility CalFresh CalWORKs Multi-program Learning Journey Map Online	Not Enrolled	Start	

Returning to Your Learning Journey

When returning to the Learning Journey Map, find it in the list of curricula under Current Training and click on the white **View** button to return to the Learning Journey Map page. **Always navigate to your Learning Journey Map before beginning your WBTs. The Learning Journey Map helps guide you through content for the best learning experience.** When you arrive at the Learning Journey Map Curriculum page, click the green **Continue** button to begin your map where you left off.

The screenshot shows the CalSAWS interface for the 'CalFresh/CalWORKs Eligibility Specialist LEARNING JOURNEY MAP Curriculum'. The page features a dark blue header with the CalSAWS logo and navigation links. Below the header, there is a breadcrumb trail and a 'Current Training' link. The main content area displays the curriculum title and a progress bar at 0%. A green 'Continue' button is highlighted with a red box. Below this, there are tabs for 'Overview', 'Content', and 'History', along with a 'Save' button. The 'Content' tab is active, showing a list of learning activities. The first activity is '1. Part 1: Eligibility CalFresh CalWORKs Multi-program Learning Journey Map', which is marked as 'Started' and 'In Progress'. A 'Continue' button is visible next to this activity. The second activity is '2. Part 2: Eligibility CalFresh CalWORKs Multi-program Learning Journey Map', which is marked as 'Not Enrolled'.

As you progress through the Learning Journey Map, the LMS will track how much of the curriculum you have completed and report it to your County Training Coordinator and other designated report recipients.
