

# Wave 2 Launches CalSAWS in One Month!

## *Go-Live is 2/27/2023*

Below are the training activities occurring the month before Go-Live!

### Web-Based Training

October 17<sup>th</sup>, 2022 - Ongoing

Staff are encouraged to complete Web-Based Training (WBT) to deepen CalSAWS knowledge. WBTs will continue to be available after Go-Live.

### Classroom Training

January 3<sup>rd</sup> – February 27<sup>th</sup>, 2023

Training is conducted over an 8-to-9-week period prior to Go-Live. Training began January 3<sup>rd</sup>. These are the final few weeks to complete Instructor Led Training (ILT)!

### Training Topic Specific Webinars

February 9<sup>th</sup> – February 16<sup>th</sup>, 2023

Topic Specific Webinars are offered to reinforce the WBTs and expand on ILT topics.

### Practice Labs

February 21<sup>st</sup> – February 24<sup>th</sup>, 2023

Practice Labs are half-day sessions that occur the week before Go-Live for staff to practice scenarios with access to CalSAWS trainer support if needed.
