

Release #	Release Date	Item Type	Item Number	Functional Area	Programs Impacted	Original Behavior	New Behavior	Ticket Number
23.03.24	24-Mar-23	Defect	CA-258724	Online		The assigned worker for some programs had been unassigned due to a since-resolved issue with the Individual Workload Reassignment page instead of being transferred to another worker, leaving the program with no currently assigned worker.	The affected programs are reassigned to the original worker. The reassignment can now be made again successfully via the Individual Workload Reassignment page.	PR80045698
