	Purpose The purpose of this CIT is to provide Contra Costa, Santa Clara, and Tulare County users instructions to access the CalSAWS Exstream Designer Database for General Assistance / General Relief Automated Solution correspondence. Background The Exstream licensed county administrators creates or edits NOAs and Forms and then requests the article is added to the Exstream repository for generation out of the system when needed. The CalWIN Counties that use the Exstream Correspondence tool to manage their client correspondences for the GA/GR Automated Solution program, will continue to do so when they migrate to CalSAWS. Additional Information: On Friday 02/24/2023, the CalWIN Exstream Designer Logins for Contra Costa, Santa Clara and Tulare County users will be disabled in preparation for migration from CalWIN to CalSAWS. Attached are instructions for the Wave 2 counties to connect to CalSAWS Exstream Designer Database.

	Refer to CIT 0315-22 GAGR Exstream SNOW process for other instructions regarding creating and updating CalSAWS Exstream correspondence forms and NOAs. If you have questions on this CIT, please reach out to the Contacts listed and cc your Regional Managers.
