Description:
(Including any
step-by-step
instructions)

Purpose

The purpose of this CIT is to provide the Wave 5 Counties (Alameda, Fresno, and Sonoma) with the second e-newsletter of a quarterly series that is specific to the CalWIN migration to CalSAWS effort. "The CalSAWS Scoop" newsletter will include information related to project activities (e.g., implementation, organizational change management (OCM), training, etc.), timelines, and will highlight key functional changes from CalWIN to CalSAWS.

Background

	<p>As part of the OCM strategy, these quarterly newsletters are distributed by Wave to build staff awareness and understanding of the CalSAWS system and project. Newsletters provide pertinent information and integrate ongoing county feedback collected through Change Readiness Surveys, Change Network Champions, County leadership, CalSAWS Regional Managers, and additional project channels.</p> <p>Additional Information: The CalSAWS Scoop is intended to be distributed via email attachment to all anticipated CalSAWS users. This allows staff to read the document thoroughly at their own pace and reference back to information later as needed. A sample email message (The CalSAWS Scoop Wave 5 CalSAWS Newsletter #2.msg) has been provided and can be modified as seen fit by Counties.</p> <p>The newsletter has been designed to allow for convenient print and digital distribution through PDF.</p> <p>County Action: Counties are encouraged to distribute the CalSAWS Scoop to all anticipated CalSAWS users.</p> <p>The following are additional recommendations for Counties:</p> <ul style="list-style-type: none"> • Post the newsletter PDF to internal websites and document repositories; • Notify Change Network Champions (CNCs) of the availability of materials; • Print the entire newsletter or pages of interest and attach to bulletin boards or other areas staff congregate; and • Encourage managers and supervisors to review the newsletter with staff during team meetings and huddles. <p>If you have questions on this CIT, please reach out to the Primary/Backup Contact(s) listed below and cc your Regional Manager(s).</p>
