Description: (Including any step-by-step instructions)	<p>Purpose</p> <p>The purpose of this CIT is to provide the Wave 3 CalWIN Counties (Santa Barbara, Ventura, and Orange) access to the CalSAWS Training Staging Environment and CalSAWS Training Production Environment. This CIT contains URLs for each of the CalSAWS Training Environments, as well as information on access to the Environments and accounts.</p> <p>Background</p> <p>The CalSAWS Training Staging and Training Production Environments are specific environments for the Counties to use for their induction and on-going CalSAWS training efforts. Access to these environments is web-based and the URLs are listed below.</p> <p>CalSAWS Training Staging Environment</p> <p>The URL to access the CalSAWS Training Staging Environment is: https://trainingstaging.calsaws.net/. Please have your CalSAWS Training Staging Environment users access the CalSAWS Training Staging Environment immediately to ensure proper access.</p>
--	--

Please use the following browsers to access the Environments:
Firefox, Chrome, or Microsoft Edge.

Instructions on how to access the CalSAWS Training Staging Environment are provided in the Access Guide for Training Environments, which is attached to this CIT.

Access to the CalSAWS Training Staging Environment is through **personal accounts/credentials managed by the Project.**

CRFI 23-027 was distributed to Santa Barbara, Ventura and Orange Counties on February 10, 2023 to collect the names of staff that need access to the CalSAWS Training Staging Environment. County responses are located at the CRFI 23-027 Web Portal link above. Only those staff that were submitted as part of a county's CRFI 23-027 response will be able to access to the CalSAWS Training Staging Environment. All future requests for access to the CalSAWS Training Staging Environment should be submitted through ServiceNow.

CalSAWS Training Production Environment

The URL to access the CalSAWS Training Production Environment is:
<https://training.calsaws.net/>.

Please use the following browsers to access the Environments:
Firefox, Chrome, or Microsoft Edge.

Instructions on how to access the CalSAWS Training Production Environment are provided in the Access Guide for Training Environments, which is attached to this CIT.

Access to the CalSAWS Training Production Environment is through **generic user accounts.** The Generic user accounts have been provided to your Regional Managers for distribution to the respective counties.

CalSAWS Training Environment Support

There are two guides available for Training Environment support:

- The Access Guide for Training Environments, which is attached to this CIT, provides instructions on how to access the Training Staging and Training Production Environments for the first time.
- The Training Environment Guide provides detailed information on the Training Staging and Training Production environments, including:
 - Code Deployment Schedules
 - Training Production Environment Refresh Schedules:
Scheduled dates as approved by the Training Committee for removal of case data in the Training Production Environment
 - Functionality Limitations for the Training Staging and Training Production Environments
 - FAQs
 - ServiceNow Support

	<p>Path: WEB PORTAL > Training > CalSAWS Training Environments > Guides for Training Environments</p> <p>County Action: Please distribute the attached Access Guide for Training Environments and Training Environment Guide* to your appropriate staff. Please have staff thoroughly read the guides <u>before</u> logging into the Environments. Please have staff attempt CalSAWS Training Staging Environment access immediately to ensure proper access.</p> <p>*Note that the Training Environment Guide is a living document, and the most updated version will be on the Web Portal.</p> <p>If you have any questions, please contact the Project Contacts listed below, and cc your Regional Managers (RMs).</p>
