Wave 3 Launches CalSAWS in One Month!
Go-Live is 4/24/2023

Below are training activities occurring before Go-Live!

Web-Based Training

December 19th, 2022 - Ongoing

Staff are encouraged to complete Web-Based Training (WBT) to deepen CalSAWS knowledge. WBTs will continue to be available after Go-Live.

Classroom Training

February 27th – April 21st, 2023

Training is conducted over an 8-to-9-week period prior to Go-Live. Training began February 27th. These are the final few weeks to complete Instructor Led Training (ILT)!

Training Topic Specific Webinars

April 3rd – April 14th, 2023

Topic Specific Webinars are offered to reinforce the WBTs and expand on ILT topics.

Practice Labs

April 17th – April 21st, 2023

Practice Labs are half-day sessions that occur the week before Go-Live for staff to practice scenarios with access to CalSAWS trainer support if needed.
