Description:  
(Including any  
step-by-step  
instructions)

#### Purpose

The purpose of this CIT is to provide the 18 CalWIN Counties (Alameda, Contra Costa, Fresno, Orange, Sacramento, San Diego, San Francisco, San Luis Obispo, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, Solano, Sonoma, Placer, Tulare, Ventura, and Yolo) with a special edition of the "CalSAWS Scoop" newsletter. The special edition includes information related to Wave 2 Go-Live.

	<p><b>Background</b></p> <p>As part of the OCM strategy, the CalSAWS Scoop newsletter is distributed to build staff awareness and understanding of the CalSAWS system and/or project. To highlight the milestone of a successful Go-Live for Contra Costa, Santa Clara, and Tulare, the special edition was created. This edition features photos and quotes from Wave 2 Counties and shoutouts to individuals and teams that went above and beyond for migration.</p> <p><b>Additional Information:</b></p> <p>The CalSAWS Scoop is intended to be distributed via email attachment to all anticipated CalSAWS users. This allows staff to read the document thoroughly at their own pace and reference back to information later as needed.</p> <p>The newsletter has been designed to allow for convenient print and digital distribution through PDF.</p> <p><b>County Action:</b></p> <p>Counties are encouraged to distribute the CalSAWS Scoop to all anticipated CalSAWS users.</p> <p>The following are additional recommendations for Counties:</p> <ul style="list-style-type: none"> <li>• Post the newsletter PDF to internal websites and document repositories;</li> <li>• Notify Change Network Champions (CNCs) of the availability of materials;</li> <li>• Print the entire newsletter or pages of interest and attach to bulletin boards or other areas staff congregate; and</li> <li>• Encourage managers and supervisors to review the newsletter with staff during team meetings and huddles.</li> </ul> <p>If you have questions on this CIT, please reach out to the Primary Contact listed below and cc your Regional Manager(s).</p>
