Description:	<p><b>Purpose</b> The purpose of the CIT is to notify Wave 6 Counties (Sacramento, San Francisco, San Luis Obispo) of the date and time for their county's Change Discussion Kickoff Session.</p> <p><b>Background</b> As we continue to progress toward the CalWIN Migration to CalSAWS, the CalSAWS Organizational Change Management (OCM) team has developed Change Discussion Guides (CDG) tailored to each county to explain the changes and impacts of CalSAWS. The OCM team is meeting with all managers and supervisors to review their County's CDG and prepare them to conduct change discussions with their staff using the CDG. These meetings are called Change Discussion Preparation Sessions (Prep Sessions).</p> <p>The Change Discussion Kickoff meeting is step one of preparing county supervisors and managers for the upcoming change discussions. It is an opportunity for Change Leaders to gain understanding of how they will assist their County in adapting to the upcoming changes.</p>
