Description:	<p><b>Purpose</b> The purpose of this CIT is to notify CalSAWS counties that a one-time list is posted for SCR CA-250288-Advance the Medi-Cal RE Due date for Individuals Aged-out or will Age out of Young Adult Expansion (YAE) of the cases that have had their renewal date deprioritized.</p> <p><b>Background</b> Effective 01/01/2024, adults aged 26 through and including age 49 will be eligible for full scope Medi-Cal, regardless of satisfactory immigration status, if otherwise eligible. This is referred to as the "Adult Expansion." Per MEDIL I 22-34, in an effort to maintain continuity of coverage for these individuals until the 26 through 49 expansion takes effect on January 1, 2024, DHCS requested that SAWS deprioritize (reset) the renewal for any case where there is at least one individual who will or have aged out of Young Adult Expansion during the PHE/Continuous Coverage Unwinding. On 03/31/2023, SCR CA-250288 reset the renewal dates by staggering them out over the months of January 2024 through May 2024.</p> <p><b>Additional Information</b> With CA-250288, the renewal dates for Medi-Cal cases that met the Young Adult Expansion criteria were advanced to 2024. The one-time list of cases that had their renewal advanced has been posted. The list contains the standard columns as well as the additional columns listed below.</p>
