23.07.06	6-Jul-23	SCR	CA-255097	CalHEERS	Medi-Cal/MSP/CMSP	During the Public Health Emergency, a monthly Data Change Request (DCR) ran to complete and reset Medi-Cal renewals and create a Journal.	Due to the Continuous Coverage Unwinding (CCU), renewals will be handled per normal processing starting with June 2023 renewals. The monthly DCR that advanced renewals during the PHE will be stopped. May 2023 renewals will be the last renewals to be reset.	
23.07.06	6-Jul-23	SCR	CA-257987	CalHEERS	Medi-Cal/MSP/CMSP	For CalWIN Wave 4 counties, unprocessed DER-Us were imported into CalSAWS. These were not linked to a CalSAWS case if the CalWIN case did not already have a concerted DER to establish the previous linkage.	CalSAWS has updated linkage for the imported CalWIN Wave 4 cases with DER-Us so they are linked to the converted CalWIN case.

23.07.06	6-Jul-23	Defect	CA-259804	Reports		With regards to the DHCS CMS Unwinding Eligibility and Enrollment Data Report, the following issues had occurred: Issue #1 Measure 1.2,3 - The PHE End date is not being obtained correctly. Issue #2 Measure 1.2,3 - The report is not capturing Pending applications.	With regards to the DHCS CMS Unwinding Eligibility and Enrollment Data Report, the following fixes have taken place: Issue 1 is fixed by using CATGRY_ID=2799 from code_dett table for PHE End date and Issue 2 is fixed by implementing the new pending applications logic by adding INITIAL_PENDING_DATE filters in code post confirmation by BA.	
23.07.06	6-Jul-23	Defect	CA-258381	Reports		With regards to the DHCS CMS Unwinding report, the following issues had occurred: Issue #1 Navigate to the Monthly Report measure 5 and 7 sheet. Order the data by Case Number desc. Notice all the cases have at least 1 person whose birthday is on February 1997. The report logic is incorrectly only picking up cases which have a Former Foster Youth in the case. Issue #2: The totals at the top are not reconcile with the data. [Example Measure 5 + Measure 7 do not equal the number of rows on the sheet.] Issue #3 The State version of the report is displaying the incorrect month for the Submission Month. Currently the submission month is equal to the month prior to the report month. [-> UPDATE: This issue is being addressed in Defect CA-259040. Issue #4 The count for Measure 4 is low.]	The issues mentioned in the defect are fixed and the data is populating correctly. The following fixes have taken place: Issue-1 is capturing the base population. FFYouth and Delinquent RE's data after changing the joining condition. Issue-2: Measure 5 and 7 are reconciling with detail sheet. Issue-3: Fixed as part of CA-259040. Issue-4: Measure 4 is populating more count after changing the base population logic.
