

Welfare to Work Assistance Unit Summary Page

Did you know CalSAWS has a one-page summary view of the WTW assistance unit?

The **WTW Assistance Unit Summary** page gives workers an overview of the entire Assistance Unit for the WTW program. CalWIN does not have an equivalent page.

In the context of a case, go to the **WTW Assistance Unit Summary** page by hovering over **Empl. Services** on the **Global** navigation bar, then in the **Local** navigator, select *Activities*.

Required Hours For Month: The **WTW Assistance Unit Hours Requirement** page shows the number of hours the WTW Assistance Unit (AU) must participate in to meet CalWORKs Minimum Standards. CalSAWS automatically determines the required hours of participation by the WTW AU based on the configuration of the CalWORKs Assistance Unit.

Assistance Unit Adults for Month: This section shows the adults included in the Assistance Unit and their program status.

Scheduled Customer Activities for Month: In this section, Workers can review the scheduled customer activities for the month. The hyperlink takes the worker to the associated activity page to see more details.

WTW Plans for Month: This section shows the WTW plans for the month. The *Form Type* hyperlink takes the worker to the **Activity Agreement Detail** page, where workers can either add the WTW Activities, or generate the WTW 2 plan.
