Description:	<p><b>Purpose (Identify what Counties this CIT affects)</b>          The purpose of this CIT is to provide the CalSAWS counties with the DRAFT Job Aid "Medi-Cal CalHEERS MAGI Verification". This job aid is created for SCR CA – 250530 – Enhance MAGI Person Detail page for CalHEERS Verifications. This functionality will be released in the CalSAWS 23.05 Release.</p> <p><b>Background</b>          The system displays information sent from CalHEERS for MAGI verifications that have been verified and returned to the system in a Determination of Eligibility Response (DER). When this information is returned to the system it is displayed on the MAGI Person Detail page in the verification section. The verifications can be either E-Verified by the Federal Data Services Hub (FDSH/HUB) or Admin Verified by an eligibility worker.</p> <p>The Verification Section of the MAGI Person Detail page was very crowded and difficult to read. The section redesign has split the type of verifications received into two categories; either E-Verified or Admin Verified by using two tabs. When the page opens, it will default to the E-Verified items. A click on the Admin Verification tab will toggle to the admin verifications. The user can switch between the two tabs at any time.</p> <p><b>Additional Information</b></p>
