Description:	<p><b>Purpose</b></p> <p>The purpose of this CIT is to create awareness regarding the process for Medi-Cal renewal discontinuances. This CIT is intended for the prior C-IV counties and the newly converted or existing CalWIN counties.</p> <p><b>Background</b></p> <p>Due to the Public Health Emergency (PHE), counties have not been required to process Medi-Cal renewals since the year 2020. Per <a href="#">MEDIL 23-02</a> issued by the Department of Health Care Services (DHCS) on January 10, 2023, federal legislation provided an end date to the continuous coverage requirement enacted as a result of the PHE. Effective April 1, 2023, counties resumed renewal activities beginning with beneficiaries with June 2023 renewal dates.</p> <p><b>Additional Information</b></p> <p>During the PHE, most Medi-Cal beneficiaries were protected from adverse actions, except for some allowable reasons. As a result, several system changes were implemented to allow these protections, which included turning off the auto discontinuance batch for beneficiaries who did not submit their Medi-Cal renewals.</p> <p>Effective 06/15/2023, the auto discontinuance batch will be turned on, which will allow for Medi-Cal beneficiaries to be discontinued when they do not submit their</p>

Beneficiaries with renewals due in 06/2023 that do not submit their renewal packet will be the first population to be discontinued with an effective date of 07/01/2023.</p> <p>The attached Fact Sheets are being shared to assist counties in understanding the Medi-Cal renewal discontinuance process in both CalWIN and CalSAWS.</p> <p><b>County Action</b></p> <p>Counties are encouraged to share this information with the appropriate staff in their county.</p> <p>If you have questions on this CIT, please reach out to the Primary Contact and cc your Regional Managers.</p>
