1 OVERVIEW

1.1 Current Design

For non-K1/3F CalWORKs (CW) households with Child Support - Direct income, the child support disregard counts as Unearned Income on the CF EDBC.

For non-K1/3F CW households with Child Support income of Child Support – Disregard, Child Support – Excess or Child Support – Through LCSEA, the full child support amount counts as Unearned Income on the CF EDBC.

For SB 380 Households, the full child support amount counts as Unearned Income on the CF EDBC.

1.2 Requests

When a Non K1/3F CalWORKs (CW) household opts to exclude a half/stepsibling (considered an SB 380 household), the full child support received for that child should be countable for CF.

1.3 Overview of Recommendations

1. Update the CF EDBC to count the full child support amount for a non-K1/3F CW Household that opted to exclude a half/stepsibling (considered an SB 380 household).
