#### **1** INTRODUCTION

This guide provides detailed actions that end users will be required to take to update the mandatory fields on the **Service Detail** page of Child Care Program.

#### 2 BACKGROUND

The mandatory fields *Pay Type Code* and *License Number* may be missing from the **Service Detail** page of Child Care Program.

#### 3 IMPACT ANALYSIS

This impacts all child care cases for all counties that use the child care program. These counties will have to update the license number to issue a payment. In the absence of this information, the child care certification is impacted which subsequently impacts case eligibility.

Impacted Counties: Contra Costa, Fresno, Orange, San Diego, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, and Sonoma
