<b>Description:</b>	<p><b>Purpose</b> The purpose of this CIT is to notify CalSAWS counties that a one-time list is posted for SCR CA-216131 Prevent Granting MSP QI-1 for Individuals Eligible to Full Scope Medi-Cal without a SOC/Premium. The list consists of cases that have an individual that was granted both a Medi-Cal (MAGI or zero SOC Non-MAGI) program and the Medicare Premium Payment Program QI-1.</p> <p><b>Background</b> Per ACWDLs 08-21 and 17-03, when an individual is eligible to a Medi-Cal (MAGI or zero SOC Non-MAGI) program, they cannot get the QI-1 Medicare Premium Payment Program (MPPP) also referred to as Medicare Savings Program (MSP). CalSAWS currently does not allow the QI-1 to be granted when someone is eligible to or receiving a MAGI or zero SOC Non-MAGI aid code when there is only one MC program block on the case. However, when an individual is in more than one Medi-Cal program block on a case and one program block has them with a Requested Medi-Cal Type of 'Medicare Premium Payment Programs,' the system will allow the QI-1 aid code 8D to be granted in that program block.</p> <p>SCR CA-216131 updated the system to no longer allow the QI-1 to be granted when there is more than one program block, and the individual is receiving or being granted Medi-Cal (MAGI or zero SOC Non-MAGI) MC in another program block.</p>

	<p><b>Additional Information</b></p> <p>A one-time list was created to identify the cases that have a person that has a MAGI or zero SOC Non-MAGI aid code and has the QI-1 aid code 8D. The list contains the standard columns as well as the additional columns listed below.</p> <p>The list is available on the CalSAWS Web Portal at the following location:  <span style="background-color: black; color: black;">[REDACTED]</span></p> <p><b>List Name:</b> <u>Individuals Active on full scope MC with QI-1</u></p> <p><b>Additional Columns:</b></p> <ul style="list-style-type: none"> <li>• CIN#</li> <li>• Person Name  Note: Person Name Format is &lt;First Name Last Name&gt;</li> <li>• DOB</li> </ul> <p><b>County Action:</b></p> <p>Workers should evaluate individuals on the list. If an individual is active with both full scope Medi-Cal with no SOC/premium and the MSP aid code 8D, the worker should run EDBC for the appropriate future month to grant the full scope Medi-Cal (no SOC/premium) benefits only. Then send a notice of action to the beneficiary regarding the discontinuance of the MSP QI-1 benefits.</p> <p>Note: M9 is considered full scope Medi-Cal. Discontinuing the QI-1 prior to the renewal is an allowable action as it does not result in an adverse action. Beneficiaries still get their Medicare Part B paid through buy-in.</p> <p>If you have questions on this CIT, please reach out to the Primary Contact listed below and cc your Regional Managers.</p>
