Description: (Including any step-by-step instructions)	Purpose The purpose of this CIT is to inform the Wave 5 CalWIN Counties (Alameda, Fresno, Sonoma) of the County Prep Phase Kickoff Meeting, Packet, and supporting documents. These resources will prepare Wave 5 CalWIN Counties for the County Prep Phase, which starts Monday, July 17th, 2023, and goes through Thursday, August 31st, 2023. Background The Conversion Team will convert organizational data such as county offices, addresses, and hours of operation into the production environment of CalSAWS. During the County Prep Phase, County Security Administrators and/or other identified County Staff will have the opportunity to configure the CalSAWS application options, review and update Staff Profiles, and county organization data in preparation for Go-Live. In addition, during the County Prep Phase, All County staff that will be CalSAWS users will be required to log into the CalSAWS application to validate their CalSAWS credentials and confirm system access prior to go-live. Note: Users will not be able to see Caseload Data and Program Functionality pages, as those items will not be converted during the County Prep Phase. Case data will be converted at Go-Live. <u>County Prep Phase Packet</u>
---	--

The purpose of the County Prep Phase Packet is to prepare Wave 5 CalWIN Counties for the activities to take place during the County Prep Phase.

More specifically, the purpose of the packet is for CalWIN Counties to:

- Review and understand the instructions for **required** activities
- Review and understand the steps on how to log-in to CalSAWS
- Review CalSAWS application optional activities and associated instructions

Activities	Priority	Level of Effort
44 Total Activities 25 are Required Must complete for a successful Go-Live 5 are Optional Should be completed during county prep, but can be completed post Go-Live, or not at all 14 are Required if Applicable Optional functionality that must be configured if counties opt in	32 are High Priority Must have for Go-Live (23 are Required and 9 are Required if Applicable) 4 are Medium Important for Go-Live (2 are Required, 1 is Required if Applicable, 1 is Optional) 8 are Low Minor impact for Go-Live (4 are Optional, 4 are Required if Applicable)	An estimated amount of time to complete an activity. Represented by a duration per specific action. Examples: 5-10 minutes per staff member to Add Staff Schedules to <u>CalSAWS</u> (Required if Applicable activity) < 5 minutes per user to Login to <u>CalSAWS</u> (Required activity)

Additional Information

County Prep Phase Kickoff Meeting

The Implementation Team will be hosting a Kickoff Meeting to provide an overview of the County Prep Phase Packet and other supporting materials included with this CIT, as well as the Project Support available during the County Prep Phase. This will also be an opportunity for staff to ask any questions that they may have regarding the required actions that need to be taken.

The targeted audience for this event will be County PPOCs, IPOCs, TPOCs, Security Administrators, and any other County Staff who are responsible for making updates to Staff Profiles and County Organization data. The Kickoff Meeting **will be recorded** and available for viewing on the Web Portal.

The County Prep Phase Kickoff Meeting is scheduled for Tuesday, **June 21st, 2023, from 10:30 AM – 12:00 PM.**

Meeting invites went out to County PPOCs and IPOCs. **County PPOCs/IPOCs will be responsible for distributing the invites to the appropriate individuals within their county.**

County Action

The three Wave 5 CalWIN Counties should review the documents listed below, which are also attached to the CIT, **prior to** the Kickoff Meetings and come prepared with any questions that may be outstanding on how to complete the needed updates.
