23.09.07	7-Sep-23	SCR	CA-257988	CalHEERS	Medi-Cal/MSP/CMSP	For CalWIN Wave 5 counties, unprocessed DER-Us were imported into CalSAWS. These were not linked to a CalSAWS case if the CalWIN case did not already have a concerted DER to establish the previous linkage.	CalSAWS has updated linkage for the imported CalWIN Wave 5 cases with DER-Us so they are linked to the converted CalWIN case.	
23.09.07	7-Sep-23	SCR	CA-262808	Eligibility	General Relief	Currently the GA/GR Automated Solution will close the case for "Gets SSI/SSP" if they have an SSI/AP record, and an OPA for either SSI Only, or SSI/SSP.	EDBC logic will now close GA/GR Automated Solution recipient when there is only an "SSI/SSP" or "SSI only" OPA record.	PR80046425
23.09.07	7-Sep-23	SCR	CA-263983	Online	N/A	Several County Case Flags that were no longer in use were migrated into CalSAWS for selection on the Case Flag Detail page.	All unnecessary County Case Flags have been removed from CalSAWS and no longer selectable on the Case Flag Detail page.	
23.09.07	45176	Defect	CA-263314	Analytics		Issue 1: CalFresh Transitional CalFresh field is identified blank for records whose RE information is associated to a TCF program. Identified as part of regression testing of SCR CA-251447 Issue 2: Report not filtering data based on county code passed as argument Issue 3: The report capturing unexpected case numbers . Sample case number : 1808394, 180CB32 (County:30) for run date 08/04/2023	Issue 1: CalFresh Transitional CalFresh field is populated as Y for whose RE information is associated to a TCF program. Issue 2: Report generated for the county passed as argument while submitting the job Issue 3: The report base population logic is updated to pick the latest program status	PR80047028
23.09.07	45176	Defect	CA-261974	Conversion		Missing budget and budget_pers table records caused the Send button missing on ICT summary for Active Medi-Cal cases.	The send button is now appearing on the ICT Summary page.	PR80046239
23.09.07	45176	Defect	CA-265318	Conversion		Worker was unable to select 5/2023 from the manual EDBC dropdown for case 18JCS17.	Worker is now able to select 5/2023 from the manual EDBC dropdown for case 18JCS17.	PR80046863
23.09.07	45176	Defect	CA-267176	Online		The Lobby Monitor and Visit Purpose pages were not available for certain offices to update.	Data for missing offices have been added to the Lobby Monitor and Visit Purpose pages.	PR80047178
23.09.07	45176	Defect	CA-266533	Reports		The CBO Application Report was not always transferring to partner.	The CBO Application Report now transfers to partner without error.
