23.09.12	12-Sep-23	SCR	CA-263106	CalHEERS		The June and July 2023 MAGI MC RE cases were inserted into the CalSAWS CH_Protect table so they were not subject to an erroneous discontinuance due to a CH system eligibility error.	The cases from the June and July 2023 MAGI MC REs are marked as "N" (designating no longer protected from a Redetermination run) in the CalSAWS CH_Protect table, so the cases may now be run through MAGI Medi-Cal eligibility during the RE processing. A one-time batch run that sends a Negative Action EDR to CalHEERS for these two benefit months for the cases above for failure to complete a redetermination or no RE was processed, effective the October 2023 benefit month.
