Request:	<p>Justification / Request Summary: Add "Sworn Statement" (Per MPP 70-102.2 and 70-102.3 - Sworn Statement for human trafficking) and "System Alien Verification Entitlement" (Per MPP 69-205.22 and MPP 69-211.3) as drop down options on the Citizenship Detail Status page.</p> <p>Issue: All potential document types are not available in the drop down under the Citizenship Detail Page-Document Type. For example, if a client is a Trafficking Victim they are not required to provide any type of legal documentation other than a sworn statement or a letter from non-profit such as the Salvation Army who may be assisting them. Currently in CalSAWS workers do not have an option to select "Sworn Statement" or an equivalent to it.</p>
Recommendation:	<p>Our proposed recommendation is that a "Sworn Statement" and a "System Alien Verification Entitlement" (Per MPP 70-102.2 and 70-102.3 - Sworn Statement for human trafficking and MPP 69-205.22 and MPP 69-211.3 - Systematic Alien Verification for Entitlements (SAVE)) option be added to the Citizenship Detail Status page under Document Type to allow the worker to select these options when none of the existing document types apply.</p> <p>Currently, the drop downs available in the system that are closest to "Sworn Statement" are the following: "Other document with a Alien Number" or "Other document with a I-94 number".</p>
