Description:	<p><b>Purpose</b> The purpose of this CIT is to provide an update on the decommissioning of the CalSAWS Sandbox environment.</p> <p><b>Background</b> The CalSAWS Sandbox environment was created to allow migrating CalWIN county team members to familiarize themselves with the CalSAWS application and associated systems. Upon migration of all CalWIN counties into CalSAWS, which is scheduled for October 30, 2023, the Sandbox environment will have accomplished its purpose and is therefore scheduled for decommissioning on October 31, 2023.</p> <p><b>Additional Information</b>  Post October 31, 2023, users will be unable to access the Sandbox environment ( [REDACTED] and [REDACTED] ). Generic user accounts created for accessing Sandbox environment will also be decommissioned.</p> <p>Users can still access other environments like County Preview ( [REDACTED] , Training [REDACTED] ) as needed.</p> <p>In addition, the Sandbox environment procured by San Diego County (with County Purchase Order SD-01-2021) will also be decommissioned on October 31, 2023.</p>
