Description:	<p><b>Purpose</b></p> <p>The purpose of this CIT is to inform Counties the CalSAWS Training Manual for Medi-Cal is now available on the CalSAWS Web Portal.</p> <p><b>Background</b></p> <p>Prior to migration to CalSAWS, the project maintained the following instructor-led training courses for the C-IV System including supporting data available in the C-IV training environment.</p> <ul style="list-style-type: none"> <li>• CalFresh</li> <li>• CalWORKs</li> <li>• Medi-Cal</li> <li>• Service Arrangements and Referrals (supportive services for WTW)</li> </ul> <p>Counties could utilize the course(s) and/or supporting data as necessary for use in training delivery. Counties could also create their own materials and data.</p> <p>At migration to CalSAWS, the former C-IV Counties requested the project develop and maintain training courses for these programs/areas. The Consortium Training team developed the draft course design and previewed it at the Training Committee meeting on 1/5/2022, after which the team began course development. The CalSAWS Training Manuals for CalFresh and General Eligibility were released via CIT 0030-23 and CIT 0254-23, respectively.</p>
--------------	---

	<p>The new CalSAWS Training Manual for Medi-Cal aligns with the functionality of the CalSAWS Training Production and Training Staging environments and is designed to be used with golden cases built in the Training Staging environment by the counties. A Course Golden Case Scenario document is included with each manual which gives County trainers the necessary information to build the golden cases used in the Training Manual.</p> <p>Example:</p> <p><b>Medi-Cal Unit 5, Lesson 3:</b> Completing a MAGI Medi-Cal Intake</p> <p>This lesson guides learners through completing a Medi-Cal Intake with preset parameters through requesting a MAGI determination and running EDBC.</p> <p><b>Additional Information</b></p> <p>The release schedule for course updates is TBD.</p> <p>The CalWORKs and Service Arrangement courses are in development. CITs will be distributed when new courses are released.</p> <p>A maintenance release schedule will be determined at a later date. This information will be shared via a CIT.</p> <p><b>Note:</b> In the CalSAWS Training Production environment, Users can log in and access cases for their own County only. Data creation and management for these courses is a county responsibility.</p> <p><b>County Action</b></p> <p>The CalSAWS Training Manual for Medi-Cal, which includes content up to the 22.09 release, is now available on the CalSAWS Web Portal at:</p> <p></p> <p>If you have questions on this CIT, please reach out to the Primary Contact listed below and cc your Regional Manager(s).</p>
