Full Case Review

Priority Level: 3

Programs Impacted: Medi-Cal

Background:

During the conversion cutover from CalWIN to CalSAWS, the system will run a Batch EDBC job for all active CalWIN cases. If the CalSAWS Batch EDBC results match the last saved CalWIN EDBC result, the system considers the benefits a match and saves EDBC. If the CalSAWS Batch EDBC does not match the existing saved CalWIN EDBC, the case will be flagged with a Yellow Banner and the *Batch EDBC is not saved*. *CalWIN Benefits* will roll forward until the next EDBC is run in CalSAWS.

EDBC run in CalSAWS is resulting in an uncategorized mismatch reason. Users may need to review the case programs, verify/edit data collection information, recoupments, roles, benefit amount, aid codes, etc., and then run EDBC in CalSAWS before authorizing the results.

These cases will be identified in the **Conversion EDBC Case Review Report** as follows:

COUNTY_CODE	COUNTY_NAME	OFFICE_NUM_IDENTIF	OFFICE_NAME	WORKER_NUMBER	CASE_NUMBER	PROGRAM	MISMATCH_REASON	RE_DUE_DATE	PGM_STAT_RSN_CODE	PRIORITY
00	Sample	03	1305 Sample	00LS031G02	XXXXXXX	Medi-Cal	Full Case Review	XX/XX/XXXX		3

Note: For these types of cases there will be no **PGM_STAT_RSN_Code** listed.

Note: The examples provided in these guides do not represent every scenario that a user might encounter. The scenarios provided below are intended to direct users to the most impacted areas on the Yellow Banner report. A full and thorough review of each case must be conducted to ensure that all the information is entered as accurately as possible to allow for a correct determination to be made.
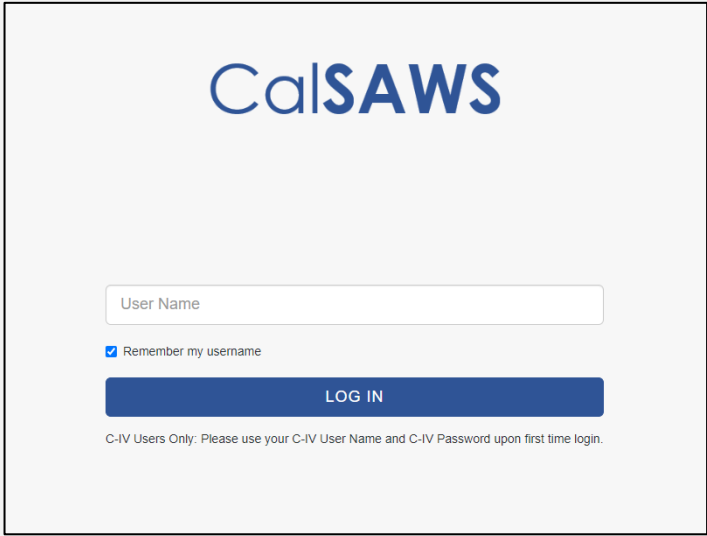

Example:

Worker will need to conduct a full case review for this Medi-Cal Program case with a Yellow Banner. The CalSAWS user will need to review the CalHEERs Referral (IAT Summary) and compare it to the CalSAWS Eligibility Determination Budget Calculation (EDBC) results converted over from CalWIN.

If the eligibly determination matches both in the CalHEERs Referral and the EDBC Results converted from CalWIN, the CalSAWS user can proceed to run EBDC. This action will confirm the eligibility of the individual(s) and remove the Yellow Banner. (Steps 1 – 17)

If the eligibility determination in the CalHEERs Referral does not match the EDBC results, the CalSAWS user will proceed to conduct a Full Case Review and update necessary data collection pages (i.e., Income, Tax Household, etc.). Once the necessary updates are made within the CalSAWS system, the CalSAWS user can proceed to run EDBC. This action will confirm the eligibility of the individual(s) and remove the Yellow Banner.
