CalSAWS | Enhancement Request (CER)

Justification / Request Summary:	
Issue: Cash Assistance Program for Immigrants (CAPI) benefits are included as unearned income in the CalFresh budget. CAPI is only processed by a few counties, while the CalFresh is processed/held in the client's county of residence. Previously, all CAPI Counties were CalWIN Counties so the CAPI County and CalFresh County had to manually coordinate the benefit amount between the CAPI issuing County and the CalFresh County to ensure that the CAPI amount was included in the CalFresh budget (like all other forms of public assistance).	
Proposed Recommendation: The first CAPI counties migrated to CalSAWS in June 2023. Since they are in the CalSAWS system, create a CalFresh batch that will run CalFresh in the Client's county of residence for any CAPI EDBC that has been accepted by the CAPI issuing county. This will include CAPI approvals, discontinuances, and changes in allotment. The batch could be a nightly batch, but 10 day notice will need to be provided with any CAPI approval or increase because it will result in a CF decrease (most likely). At minimum, the batch will need to be monthly, on a 10 day deadline.
