

Wave 6 Launches CalSAWS in One Month!

Go-Live is 10/30/2023

Below are training activities occurring before Go-Live!

Practice Labs

October 23rd – October 27th, 2023

Practice Labs are half-day sessions that occur the week before Go-Live for staff to practice scenarios with access to CalSAWS trainer support if needed.

Training Topic Specific Webinars

October 9th – October 20th, 2023

Topic Specific Webinars are offered to reinforce the WBTs and expand on ILT topics.

Classroom Training

September 9th – October 27th, 2023

Training is conducted over an 8-to-9-week period prior to Go-Live. Training began September 9th. These are the final few weeks to complete Instructor Led Training (ILT)!

Web-Based Training

June 5th, 2023 - Ongoing

Staff are encouraged to complete Web-Based Training (WBT) to deepen CalSAWS knowledge. WBTs will continue to be available after Go-Live.
