Description: (Including any step-by-step instructions)	Purpose The purpose of this CIT is to provide the details associated with the adjustment to the Counties' CalWORKs Administrative Advance for the SFY 2022-23 Fourth Quarter County Share of Costs for the CalSAWS and CalWIN systems. Background CalSAWS member Counties are required to pay a County Share of Costs of the CalSAWS, and CalWIN systems. The County Share of Cost is calculated based on Persons Count. It was agreed that the method of payment would be in the form of an adjustment to each County's CalWORKs Administrative Advance. The Fourth Quarter of SFY 2022-23 will be applied to the October 2023 mid-month advance, reflecting each County's Share of Costs. The adjustment should be noted on each County's AA190.
