Description:	<b>Purpose</b> The purpose of this CIT is to share with counties an update to the Medi-Cal (MC) Redetermination packets uploaded from BenefitsCal to the CalSAWS Imaging Solution (CIS).						
	<b>Background</b> Prior to Release 23.04.18, BenefitsCal sent the form name <i>MC Redeter Packet</i> to CIS when a Medi-Cal Renewal was uploaded via the portal. Counties reported tasks were not generating as a result of the MC Redetermination upload due to the <i>MC Redeter Packet</i> value missing from the routing rules. An update was made to the CIS to update the mapping of the document upload to use the following:						
	<table><tr><th>From Number</th><th>Form Name</th><th>Document Type</th></tr><tr><td>IMG 292</td><td>MC Redetermination</td><td>Customer Reporting</td></tr></table>	From Number	Form Name	Document Type	IMG 292	MC Redetermination	Customer Reporting
	From Number	Form Name	Document Type				
	IMG 292	MC Redetermination	Customer Reporting				
<b>Additional Information</b> The following Packets are applicable to IMG 292 form name when uploaded in BenefitsCal as a Medi-Cal Redetermination:							
<ul style="list-style-type: none"><li>• MAGI RE Packet</li><li>• Mixed Household RE Packet</li></ul>							

- Non-MAGI RE Packet

BenefitsCal has updated the Medi-Cal Redetermination form number to *IMG 292* in the document payload to CIS, see screenshot below:

Form Number	Form Name	Bundle ID	Pages Created
IMG 474	Disability Verification	4010603978 1	4/6/2023 7:24:21 AM
IMG 292	MC Redetermination	4010603978 1	4/6/2023 1:41:14 AM

Note: Counties may set up document routing rules for *IMG 292* to be tasked appropriately.

### County Action

Please share this information with your staff as necessary.

If you have questions on this CIT, please reach out to the Primary Contact listed below and cc your Regional Managers.
