23.12.01	1-Dec-23	SCR	CA-267975	CalHEERS	Medi-Cal/MSP/CMSP	CalHEERS had incorrectly determined individuals as MAGI Discontinued (DS) with Awaiting Review (AR) who were denied in CalSAWS. A disposition with MC IE did not close out the AR on the CalHEERS side, nor does it allow the testing for Covered California Exchange Programs.	A list is provided to CalHEERS for individuals who have their high-dated MC Status as Discontinued or Denied during the CC timeframe between 02/01/2020 to 03/31/2023. With CalHEERS change request (CR) 248890, CalHEERS will close out the MAGI DS/Awaiting Review for a disposition with MC IE status.
