

Release #	Release Date	Item Type	Item Number	Functional Area	Programs Impacted	Original Behavior	New Behavior	Ticket Number
24.01.30	30-Jan-24	Defect	CA-273133	Batch/Interfaces		The regular CW/CF RE appointment scheduling batch job, PBXXC907, would not schedule appointments to the overlapping appointments limit if there was already a regular, non-'General Appointment - Telephone Interview Recertification' appointment in a given time slot.	The regular CW/CF RE appointment scheduling batch job, PBXXC907, now schedules appointments to the overlapping limit in a given time slot.	PRB0048301
