

Release #	Release Date	Item Type	Item Number	Functional Area	Programs Impacted	Original Behavior	New Behavior	Ticket Number
24.01.15	15-Jan-24	SCR	CA-262387	Bots	CalFresh, CalWORKs, Medi-Cal/MSP/CMSP, Welfare-to-Work/Gain	Customers previously were able to authenticate into the CaSAWS inbound IVR call flow using voice authentication and touch-tone authentication by using the phone number and SSN or date of Birth.	Yuba County: Customers now receive push notifications in the CaSAWS inbound IVR call flow. Customers can now authenticate using an authentication bot, voice authentication, and touch-tone authentication by using their phone number and SSN or date of Birth.	
24.01.15	15-Jan-24	SCR	CA-246966	Client Correspondence	CalWORKs	CaSAWS has the 11/2017 version of the M40-195B-ICT Notice of Transfer, Receiving.	The M40-195B -ICT Notice of Transfer, Receiving has been updated to the (08/2022) state version.	PRB0047756
24.01.15	15-Jan-24	SCR	CA-210476	Client Correspondence	General Relief	Currently the SSP14 form only populates LA Counties GR Code.	The GR code will now populate on the SSP14 form for all counties except Imperial, Inyo, Mariposa, Mono, Santa Barbara, Sutter, Tuolumne, Ventura and Yuba.	
24.01.15	15-Jan-24	SCR	CA-236896	Client Correspondence	CalFresh	The CF 377.1A did not populate with default regulations when generated via Template Repository. Regulations have to be added by the worker.	Default regulations have been added for the CF 377.1A in Template Repository in English and Spanish. The following MPP codes: MPP 63-300.46, 63-301.3, 63-504.23, 22-001(a)(1) have been included. These regulations will automatically be filled in the Regulations Section and are editable by the worker.	
24.01.15	15-Jan-24	SCR	CA-247216	Client Correspondence	CalFresh	The CF 386 Notice of Missed Interview (NOMI) will generate if the customer misses their intake or recertification (RE) interview. For the intake scenario, the CF 386 will generate if the CalFresh (CF) is in Pending or Active status. For the RE scenario, the CF 386 will generate if the missed appointment date is within the CF certification period.	The CF 386 Notice of Missed Interview (NOMI) generation conditions have been updated to generate if the CF is in Pending status for the missed intake appointment scenario. If the CF application is dispositioned, the CF 386 will not trigger when household misses the intake interview appointment. For REs, the CF 386 generation conditions have been updated to generate if the RE appointment is scheduled within the 'RE due month' or within the prior month of the 'RE due month' and the customer misses their appointment. If the RE appointment is scheduled in any other month, then CF 386 will not trigger when the customer misses their appointment.	
24.01.15	15-Jan-24	SCR	CA-254227	Client Correspondence	CalWORKs	The CW 51- Child Support Good Cause Claim for Non-Cooperation is sent when there is an Absent Parent and the custodial parent is claiming 'Good Cause'.	CW 51- Child Support Good Cause Claim for Non-Cooperation will be sent when the Custodial Parent claims good cause regardless of an absent parent or an organization (i.e., Foster Care).	
24.01.15	15-Jan-24	SCR	CA-257538	Client Correspondence	Medi-Cal/MSP/CMSP	The MC 373 form is in the Template Repository. The MC 373 form does not pre-populate when generated within the context of a case.	The MC 373 pre-populates when generated in the context of a case.	
24.01.15	15-Jan-24	SCR	CA-245961	Client Correspondence	Foster Care	The verbiage on Blue Voucher was missing direction that customer needed to return within three business days.	The Blue Voucher now has instructions to return within three business days.
