Justification/Request Summary					
Quick Connect eCCP Admin Page - drop down to view more than 10 per page					
Issue					
LA County has over 270 quick connects to manage, the current eCCP Quick Connect page is very limited in allowing admin users to view more than 10 quick connects at a time.					
Proposed Recommendation					
Enhancement to the Quick Connects page to allow for more than 10 quick connects to be seen at once. Options in the drop down should allow admin users to view - 10 / 25 / 50 / 100 quick connects
