Description: (Including any step-by-step instructions)	<p><b>Purpose</b>                  The purpose of this County Request for Information is to collect Opt-In/Out decisions from all 58 Counties regarding the WTW/REP sanction batch job PB00E181 that currently runs for all CalSAWS counties.</p> <p><b>Background</b>                  Batch job PB00E181 triggers EDBC through the come-up month for CalWORKs/RCA individuals who are active the month following the batch run when an individual's WTW/REP Sanction or Non-Compliance/In process of curing sanction status ends. This results in the individual going back on aid.</p> <p><b>Additional Information</b>                  This CRFI is being tracked by SCR CA-239657.</p> <ol style="list-style-type: none"> <li>1. The following are the batch job triggers:                     <ol style="list-style-type: none"> <li>a. CalWORKs/Refugee Cash Assistance individual is active the month following the batch run month</li> <li>b. There is no Eligibility Non-Compliance record where the "Program" value is "Cash" and the "Type" is "WTW" or "REP" that is effective greater than the Batch Date.</li> </ol> </li> </ol>
---	---

	<p>c. A previously open-ended Eligibility Non-Compliance record was ended since the last successful execution of this job, or A WTW/REP Program Status of Non-Compliance with a reason of 'In the process of curing sanction' associated to the CW/RCA individual was ended and replaced with an Active Status.</p> <ol style="list-style-type: none"> <li>2. This batch job runs in "All Program' mode. If the case has CalFresh, batch EDBC will trigger for it. The newly active member on CalWORKs will become an unaided person on Medi-Cal.</li> <li>3. This batch job runs daily, and it runs for the future month and the month after the future month depending on the timing. If noncompliance is ended prior to 10-day cut-off batch does not run for the current month. EDBC does not run for the current month because it will cause an overpayment for CalFresh. The worker will have to run EDBC through the online application for the current month.</li> </ol> <p><b>County Action</b></p> <p>Please respond to this request by indicating if your County would like to opt in or opt out of this batch job in the accompanying spreadsheet.
