Important Points

- Item 1
- Item 2

- Reminder: do not add CAPI as unearned income which can lead to discontinuance. Once CAPI is added to the case and CF is ran EDBC will pick it up

[Topic Heading] CA-248713 Conditional CAPI

Question:

Which begin date should be used on the citizenship record screen? Naturalization date or reported date?

Answer: It needs to be reported date

- A new SSP 14 is not required with a SOC 830
- Vote on hold, the final document SCR will be emailed and we will vote via email, we will get a deadline of a week
- Individual counties are not to submit their vote to the facilitator (Adelaine)
RCM's are to get the vote and submit as a region

- SSI application result must have a value if the SOC830 signed is set to "yes"
- Refused SSIAP services to have the same functionality as above if SOC 830 signed is set to "yes"
- Conditional CAPI field default to no otherwise it causes issues with the EDBC run
