24.05.30	30-May-24	Defect	CA-278438	Online		The changes to the Electronic Signature Document Detail page that were implemented in 24.05.09 for SCR CA-274110 were unintentionally removed.	The changes to the Electronic Signature Document Detail page that were implemented in 24.05.09 for SCR CA-274110 are restored.	PR80049235
24.05.30	30-May-24	Defect	CA-277230	Reports		In the Adjustment section of summary sheet we could see there is a reconciliation issue where the amount mentioned in the summary sheet was not reconciling with the detail sheet.	We identified the database join which was dropping the data , we modified the logic for join condition to pull the records into detail sheet . we further used correct pyspark coding standard by aliasing the table name to pick the data from correct data frame.
