| Description: | <p>Purpose The purpose of this CIT is to inform Counties of the availability of a new alternate Home Page in the CalSAWS Learning Management System (LMS).</p> <p>Background The CalSAWS LMS hosts a variety of training materials and resources to assist users with learning CalSAWS functionality. In the LMS a new alternate Home Page has been added to allow users to have a different Home Page experience. Users see the original LMS home page as the default setting upon login. If the new alternate home page is selected, the user can revert to the original LMS home page at any time.</p> <p>Additional Information To assist users with selecting the alternate Home Page and exploring its features (including a new "Based on your Interests" section), the Training team has developed the attached CalSAWS Quick Guide – LMS Alternate Home Page. The new alternate home page allows users to view their content in a different way.</p> |
