## Topic

- CA-242532 Update CW EDBC to Add WTW Work Registration After REP

## Important Points

- Approval to be requested through email process.
- Will fix the automation around adding work registration for WTW when the customer ends the REP status.

## Topic

## Important Points

- 
- Discuss CA-246439 Allow users to enter historical records for WPR
    - This will allow historical updating of the three tracks for WPR tracking.
- 
- Discuss CA-213047 Welfare to Work Employment Hours-Employment Detail Page-View Progress
    - Projected hours table
      - This will project based on entered hours on the employment screen for the future 5 months. If actuals are entered then the system would update.
- 
- Discuss CA-251002 Update to 'View WPR' Button on Case Summary Page for CW Program
    - Committee to vote whether to remove the View WPR Button or re-route it to the Qlik report.
  -
- 
- Discuss CA-237256 Allow WTW to be deregistered with pending payment requests- committee voted to keep this SCR'
    - Hard validation regarding being able to deregister will be removed and a soft validation will be added instead. This will allow counties to deregister cases.
- 

### Open Topics

- CalWIN migration impact on Cal-OAR data
  - CSF 125 and ACL 22-22
