Description:	<p>Purpose The purpose of this CIT is to inform counties of the disbandment of the Claiming Committee effective immediately.</p> <p>Background When Claiming was revamped in C-IV several years ago, the Claiming workgroup was created as a subgroup of Fiscal. The workgroup distribution list was converted as a committee group to meet on an as needed basis for any major changes to claiming. There has not been a need for the committee to meet in several years.</p> <p>After the CalSAWS migration, claiming issues were identified by State/Fiscal Reports users when reporting missing or incorrect information on both daily and or monthly Fiscal reports.</p> <p>Those issues were then forwarded to the Fiscal team that is responsible for the claiming functionality in CalSAWS that is populated on reports. Any defects or SCRs created for claiming issues were shared with impacted State/Fiscal Reports and Fiscal committees.</p> <p>With the migration of CalWIN counties and the crossover of claiming impacts to State/Fiscal Reports and Fiscal committees, the purpose of the Claiming</p>

	<p>committee was causing some confusion. Therefore, a decision was made to disband the committee.</p> <p>Should there be a need to overhaul claiming functionality in the future, a workgroup may be recruited.</p> <p>County Action No county action needed.</p> <p>If you have questions on this CIT, please reach out to the Primary Contact and cc your Regional Managers.</p>
