24.06.06	6-Jun-24	SCR	CA-276729	CalHEERS	Medi-Cal/MSP/CMSP	CalHEERS Defect 240202 was fixed with the implementation of CR247111. The defect was identified as CalHEERS incorrectly determined individuals who were denied in CalSAWS as MAGI Discontinued (DS) with Awaiting Review. A Disposition with MC IE neither closed out Awaiting Review in CalHEERS, nor evaluated individuals for Covered California programs. With CR 248890, CalHEERS closed out MAGI DS Awaiting Review even with a Disposition resulting in the MC IE status. There are individuals from CalWIN counties not included on the original list provided by CalSAWS to CalHEERS.	CalSAWS provides a one-time case list of individuals who were determined MAGI DS/DE during the Continuous Coverage period between 02/01/2020 and 03/31/2023 and not included on the original list that CalSAWS sent to CalHEERS.
