Other Agency Cross Reference:	CSPM-67119
Current Design:	Currently, the Self-Service Portal (SSP) allows customers and Community Based Organizations (CBOs) to upload documents by logging into their portal accounts.
Request:	Allow users to upload documents through the portal without a portal account.
Recommendation:	<ol style="list-style-type: none"> 1. Create a new service which would allow the portal to send the case number, county code and date of birth to CalSAWS to validate that the information exists in the system. This ensures that the document uploaded from the portal is routed to the correct case or person drawer in the imaging system. The service will return the following response codes: <ol style="list-style-type: none"> a. 200 - Successful Operation <ol style="list-style-type: none"> i. Return a list of person IDs found based on the case, county code, and date of birth combination from the request. b. 204 - No content. Returned if there are no results. c. 400 - Bad Request d. 401 - Authorization information is missing or invalid. e. 422 - Business Validation Error <ol style="list-style-type: none"> i. This response code is returned for the following scenario: <ul style="list-style-type: none"> - benefitscal-00001: The county code provided does not exist in the system. - benefitscal-00002: The case and county code combination provided does not exist in the system. f. 500 - Internal Server Error g. 503 - Service Unavailable
