Description:	<p>Purpose</p> <p>The purpose of this CIT is to notify counties of the CalSAWS baseline release webcast schedule for the remainder of 2024.</p> <p>Background</p> <p>The purpose of baseline release webcasts is to demonstrate or provide an overview of the new or updated functionality for select changes targeted for deployment to the CalSAWS Production environment with the upcoming baseline release. The release webcast is not intended to be a design session or replace county release training for county staff.</p> <p>CalSAWS release webcasts are held three weeks prior to the baseline release implementation date.</p> <p>SCRs that the county's want demonstrated at the release webcast are due 2 weeks before the webcast.</p> <p>During the week of a CalSAWS baseline release, the project team distributes the Major Upcoming Changes (MUC) document for the next baseline release to counties. The MUC is used by the counties to review the scheduled SCRs for the</p>
