CalSAWS | Enhancement Request (CER)

Justification / Request Summary:

Currently when running EDBC on a case there is an Accept button located on the top and bottom of the EDBC summary page. Workers can easily accept EDBC results without reviewing budget information since there is an Accept button on the top of the page.

Proposed Recommendation: We are recommending disabling the "Accept" button from the top of the EDBC summary page. This will encourage workers to review the budget as they scroll down to the bottom to accept EDBC results.
