## Topic

## Important Points

### CA-225430 and student attendance verification:

- Opened to track information on SB 1232 by creating a flag to identify the cases affected
- Advocates had concerns of verifications sent to participants when there is no requirement. Some students are unaware that there is a negative impact if not returned.
- Are counties experiencing any issues with this? LA county has experienced issues.  
Do counties feel there are other changes needed to the attendance forms to cover in the same SCR?

### CER Automatically Deregister from WTW when CW discontinues

- County withdrew CER

  - An SCR will be opened to track this topic and CRPC submitted to CDSS to confirm when timeline should start, pause, and restart
  - Why do some cases coded VOC ED have dates, and some don't?
  - A ticket must be submitted to review this issue and determine if there is an issue.
  - If counties have any CDI feedback, please review email from Ginko and submit feedback
