24.10.16	16-Oct-24	SCR	CA-240094	Client Correspondence	CalFresh	CalFresh regulations were not consistently referenced in the System. Example: 'MPP Sections 20-300' vs 'MPP 44-211'	The regulation citations on notices have been updated based on a standard for regulation references. Merging logic has been added to the regulations to allow for prevention of duplicate listings of regulation references and/or the regulation itself.			No County Action Needed
